Notice to Residents:

Re: Noise Bylaw Exemption Friday August 3, 2018 North America Construction (1993) Ltd. (NAC) is constructing the Secondary Treatment Upgrade Project for the Regional District of Nanaimo's Greater Nanaimo Pollution Control Centre at 4600 Hammond Bay Road. Scheduled activities require a large concrete pour for one of the upper walls on the aeration building

The City of Nanaimo has granted NAC a Noise Bylaw exemption to complete the concrete pour from 6:00am Friday August 3, 2018 to 12:00am Saturday August 4, 2018. Neighbouring residents may notice noise and light during this time.

We foresee this work to be minimal and not take up the entire period we are requesting. Construction work may involve concrete and pump trucks, our telehandler equipment, excavators, and small cutting/grinding/drilling tools etc.

While we may request future Noise Bylaw exemptions, we will make efforts to keep construction activities within the regular construction hours. Estimated work duration (6am to 11pm) Friday August 3, 2018 only.

Please call me to discuss if you need any further information. I may be reached at 250-751-4262 ext. 22

Thank you,

Phillip Longo
