#### **QUESTIONS & ANSWERS**

Q: Can you confirm the type of back-hoe attachment you require, is it stationary or swivel?  
A: Swivel.

Q: What should be the overall reach provided with the back-hoe attachment?  
A: Maximum reach for the size of the machine.

Q: What is the size of the GP bucket?  
A: The GP bucket shall be no wider than the machine tracks.

Q: In the tender you reference a Tier 4 engine in specifications as a mandatory engine component. Do machines that meet the Tier 4 Interim regulations qualify?  
A: No.

Q: Would you like to include an air-ride seat?  
A: Please specify the additional cost to provide an air-ride seat under optional equipment in the Pricing Schedule.

Q: Will there be an extension to the tender?  
A: No, bids remain due **2:00 pm on November 28, 2017.**

Q: When would you like the machine delivered?  
A: Please specify the time needed for delivery following notice of award. It would be our preference for the machine to be delivered before the New Year; however, the Notice to Proceed will not be issued until the purchase order is approved.
