

Request for Proposal: Huxley
Community Park- Supply &
Installation of Sport Court Dasher
Boards

Date: July 11th, 2017

Attachments: None

General Inquiries:

Q1: Site Preparation by Others. Does that mean the old boards; posts and concrete curb will be removed by others?

A1: All required demolition and removal of existing boards and curb will be completed by others.

Q2: Will a new concrete perimeter curb for setting and anchoring the dashers be supplied and installed by others prior to arrival of the dasher system.

A2: Yes, a new concrete curb/flatwork for supporting and anchoring the new dasher board system will be installed by others prior to delivery. The successful Proponent shall submit shop drawings, attachment details, and layout details of the new system as soon as possible after notice of award to help facilitate the installation of the new curbs by others.

Q3: Did you want a separate price for the end chain link, and another separate price for the side chain link?

A3: Yes, please price as separate items if possible.

Q4: A separate price for the hockey goals. Is this to be a professional style goal with netting and padding as shown below?

A4: No padding is necessary.

Amendments: None

END.
