Maureen,

This is a formal request for a delegation to reconsider the RDN's decision to allow the building permit for 2991 Northwest Bay Rd. in Nanoose Bay to proceed. Please ensure this item gets on the agenda for the meeting on May 9th, 2006. Once the agenda is complete please forward a copy to me to confirm placement.

For more information please phone 250 468 9055 and ask for June.

Kind regards,

Poul Rosen
