Dear Ms Armstrong & Mr. Bartram:

Re: Application: PL# 2009 -778 - Addison 2610 Myles Lake Rd. - Chuck & Linda Addison - Area 'C' OCP Amendment 1st & 2nd Reading

As the RDN EAPC Agenda and the RDN report was not posted on the RDN website until this morning and we did not receive a copy of the staff report until this morning, we request that consideration of our OCP Amendment application be deferred to the November 9th, 2010 Electoral Area Planning Committee meeting to allow us more time to study the report and to prepare our presentation. I would also like to defer appearing as a delegation until November.

Thank you in advance for your consideration.

Sincerely

Chuck & Linda Addison
