Hello Ms Burgoyne,

I presented to Nanaimo City Council on Aug. 8 about living with electro-hyper-sensitivity (EHS), and I would like to attend your Aug. 23 meeting either to describe EHS to RDN directors, or to answer questions about it, as I see that many NCC councillors are also RDN directors. Would this be possible? Perhaps a 5-min. speech with questions afterwards?

I'm rarely on my computer as I am EHS, so it might be quicker to phone me: 250 741 8255. Before noon is best. Thank you.
