REGIONAL DISTRICT OF NANAIMO

COMMITTEE OF THE WHOLE TUESDAY, SEPTEMBER 9, 2014 7:00 PM

(RDN Board Chambers)

AGENDA

CALL		

	DELEGATIONS
3	Domenico lannidinardo, TimberWest, re Overview of Company Land Operations.
4	Randy White, re BC RDN's and the problem facing them with Marijuana Grow Operations in Agricultural lands.
5	Lehann Wallace, re Marihuana for Medical Purposes Regulations in River's Edge.
6	Rob Bau, re Silver Springs Camp.
	MINUTES
7-15	Minutes of the Regular Committee of the Whole meeting held Tuesday, July 8, 2014.
	BUSINESS ARISING FROM THE MINUTES
	COMMUNICATIONS/CORRESPONDENCE
16-17	Denis Lebel, Minister of Infrastructure, Government of Canada, re Request for funding for a new water treatment facility.
18-24	Malcolm Brodie, Metro Vancouver, re Metro Vancouver Waste Flow Management and the Greater Vancouver Sewerage and Drainage District Recyclable Material Regulatory Bylaw No. 280.
25	Taryn O'Flanagan, re \$5,000 Grant to Restorative Justice.

	CAO
26-30	Regional District of Nanaimo – Operational and Efficiency Review, 2014 Community Survey.
31-50	Board Remuneration - Bylaw No. 1078.08 and Bylaw No. 1317.04
	CORPORATE SERVICES
	ADMINISTRATION
51-54	Amendment to Officers Appointment and Delegation Bylaw No. 1661.
	FINANCE
55-65	Operating Results for the Period Ending June 30, 2014.
	RECREATION AND PARKS
66-70	Request for Acceptance of Park Land Dedication – 1965 Walsh Road, Electoral Area 'A'.
	REGIONAL AND COMMUNITY UTILITIES
	WATER AND UTILITY
71-85	Bylaws No. 1004.07, 1445.05, and 1521.02 – Cedar and Duke Point Sewer Boundary Amendment – 1965 Walsh Road and 1812 Cedar Road, Electoral Area 'A'.
	STRATEGIC AND COMMUNITY DEVELOPMENT
	BUILDING, BYLAW, AND EMERGENCY PLANNING
86-88	1673 Gerrand Road – Electoral Area 'A' – Unsightly Premises.
89-93	1016 Harrison Way – Electoral Area 'B' – Unsightly Premises.
	EXTERNAL BOARDS
	Englishman River Water Service
94-98	Minutes of the Englishman River Water Service Management Board meeting held Tuesday, June 24, 2014 (for information).

ADDENDUM

BUSINESS ARISING FROM DELEGATIONS OR COMMUNICATIONS

NEW BUSINESS

IN CAMERA

That pursuant to Section 90(1)(a) of the Community Charter the Committee proceed to an In Camera Meeting to consider committee appointments.

ADJOURNMENT

Re: Overview of Company Land Operations

From: Makenzie Leine

Sent: Friday, August 01, 2014 10:15 AM

Subject: TimberWest Presentation to RDN Committee of the Whole

Domenico lannidinardo, TimberWest's VP of Sustainability and Chief Forester would like to provide an overview of the company's land and operations within the Regional District of Nanaimo.

Domenico will have powerpoint slides to accompany his presentation.

Please let me know if you need any other details and how to best get the digital information to you.

Look forward to hearing from you, Makenzie

Makenzie Leine, RPF

TimberWest Forest Corp. Cell: 250.802.6254

Email: leinem@timberwest.com

Re: BC RDN's and the problem facing them with Marijuana Grow Operations in Agricultural lands

From: Randy White

Sent: Wednesday, September 03, 2014 6:42 AM

Subject: speaking at RDN Tuesday 9 Sept

I would like to speak at the RDN meeting next Tuesday regarding "BC RDN's and the problem facing them with Marijuana Grow Operations in Agricultural lands."

thank you.

Re: Marihuana for Medical Purposes Regulations in River's Edge

From: lehann wallace

Sent: Tuesday, September 02, 2014 9:10 PM

Subject: Registration for meeting next Tuesday | MMPR in River's Edge Community

Please register me for the meeting next Tuesday per Randy White. I will be presenting on the issue of the MMPR in River' Edge.

Thanks and Best Regards, Lehann Wallace

Re: Silver Springs Camp

From: Rob Bau

Sent: Wednesday, September 03, 2014 10:09 AM

Subject: Meeting registration

I would like to register myself and Kirk Pruden for the meeting with the RDN for Tuesday Sept.9 at 7:00pm. We will be representing Seven Springs Camp which is a direct neighbor to the property in question. Thank you.

Sincerely, Robert Bau Culverden Holdings ltd. Seven Springs Camp 1888 Kaye Rd Nanoose Bay, BC

REGIONAL DISTRICT OF NANAIMO

MINUTES OF THE REGULAR COMMITTEE OF THE WHOLE MEETING OF THE REGIONAL DISTRICT OF NANAIMO HELD ON TUESDAY, JULY 8, 2014 AT 7:00 PM IN THE RDN BOARD CHAMBERS

In Attendance:

Director J. Stanhope Chairperson Director D. Brennan **Deputy Chairperson** Director A. McPherson Electoral Area A Director H. Houle Electoral Area B Electoral Area C Director M. Young Director G. Holme Electoral Area E Director J. Fell Electoral Area F Director B. Veenhof Electoral Area H Director J. de Jong District of Lantzville

Director J. Ruttan

Alternate

Director F. Pattje City of Nanaimo
Director T. Greves City of Nanaimo

Services

J. Hill Mgr. Administrative Services

C. Golding Recording Secretary

CALL TO ORDER

The Chairperson called the meeting to order and welcomed Alternate Director Pattje to the meeting.

DELEGATIONS

Lana Kingston, Tourism Vancouver Island, re Request for Funding Contribution.

Jody Young, Industry and Community Services Manager, presented a slide show and provided a brief background of Tourism Vancouver Island, and an overview of Phase One of the multi-phased trail strategy for the region which they are requesting financial support in the amount of 2,500.

COMMITTEE OF THE WHOLE MINUTES

Minutes of the Regular Committee of the Whole meeting held Tuesday, June 10, 2014.

MOVED Director Holme, SECONDED Director Brennan, that the minutes of the Committee of the Whole meeting held June 10, 2014, be adopted.

CARRIED

COMMUNICATION/CORRESPONDENCE

Kelly Collins, Nanoose Bay Activities and Recreation Society, re Modular Building – Home for Nanoose Community Services.

MOVED Director Johnstone, SECONDED Director Ruttan, that the correspondence from Kelly Collins, Nanoose Bay Activities and Recreation Society, regarding a modular building home for Nanoose Community Services, be received.

CARRIED

Ministers Coralee Oakes and Norm Letnick, Province of British Columbia, re Issues related to Medical Marihuana Production in British Columbia.

MOVED Director Johnstone, SECONDED Director Ruttan, that the correspondence from Ministers Coralee Oakes and Norm Letnick, Province of British Columbia, regarding issues related to medical marihuana production in British Columbia, be received.

CARRIED

Selina Robinson, MLA, re Meetings at 2014 UBCM Conference.

MOVED Director Johnstone, SECONDED Director Ruttan, that the correspondence from Selina Robinson, MLA, regarding meetings at the 2014 Union of BC Municipalities Conference, be received.

CARRIED

Greg Field, Arrowsmith Search and Rescue, re Appreciation of \$5000 Grant.

MOVED Director Johnstone, SECONDED Director Ruttan, that the correspondence from Greg Field, Arrowsmith Search and Rescue, regarding the appreciation of the \$5000 grant, be received.

CARRIED

Director Greves left the meeting at 7:19 pm citing a possible conflict of interest with the next agenda item.

FINANCE

Island Corridor Foundation Contribution Agreement.

MOVED Director Brennan, SECONDED Director Ruttan, that the Board direct the Board Chair and staff to execute the Contribution Agreement with the Island Corridor Foundation.

MOVED Director Fell, SECONDED Director Willie, that the agreement be amended by substituting section 6.1(a) as follows:

Successful negotiation and confirmation of an updated Train Service Agreement with VIA Rail, which shall include VIA Rail's agreement that the scope of repairs proposed under this agreement will meet VIA Rail's safety requirements for the return of train service. A copy of this agreement shall be provided to the Regional District of Nanaimo Chief Administrative Officer for Board inspection.

MOVED Director Veenhof, SECONDED Director Houle, that this motion be referred back to staff to get a commitment brought before the board.

DEFEATED

The vote was taken on the amending motion.

CARRIED

MOVED Director Fell, SECONDED Director Holme, that the agreement be amended by substituting section 8.2 as follows:

That the funds provided by the Regional District of Nanaimo shall be separated from any other funds in the Foundation's books of account. The Foundation shall prepare at each year-end, financial statements setting out the Foundation's assets and liabilities as well as a statement of revenue and expenditures for the year. All expenditures over \$1000 shall be itemized. The Foundation shall deliver a copy of the financial statements to the Regional District of Nanaimo Chief Administrative Officer for Board inspection within 60 days of the Foundation's Annual General Meeting in April.

DEFEATED

The vote was taken on the main motion, as amended:

That the Board direct the Board Chair and staff to execute the Contribution Agreement with the Island Corridor Foundation with amended wording for section 6.1(a) as follows:

Successful negotiation and confirmation of an updated Train Service Agreement with VIA Rail, which shall include VIA's agreement that the scope of repairs proposed under this agreement will meet VIA's safety requirements for the return of train service. A copy of this agreement shall be provided to the Regional District of Nanaimo Corporate Administrative Officer for Board inspection.

MOVED Director Brennan, SECONDED Director Ruttan, that the Board direct staff to allocate \$68,000 of the 2014 Strategic Community Investment Fund grant from the Province of BC towards the Contribution Agreement with the Island Corridor Foundation in order to reduce the 2015 tax requisition impact by that amount.

CARRIED

Director Greves returned to the meeting at 8:01 pm.

Bylaw No. 1713 - Alberni-Clayoquot Regional District - 2015 Permissive Tax Exemption.

MOVED Director Holme, SECONDED Director Fell, that "Property Tax Exemption (Alberni-Clayoquot Mt. Arrowsmith Regional Park) Bylaw No. 1713, 2014", be introduced and read three times.

CARRIED

MOVED Director Holme, SECONDED Director Fell, that "Property Tax Exemption (Alberni-Clayoquot Mt. Arrowsmith Regional Park) Bylaw No. 1713, 2014", be adopted.

CARRIED

CORPORATE SERVICES

ADMINISTRATION

RDN General Local Election Bylaw No. 1700, 2014.

MOVED Director Holme, SECONDED Director Houle, that "Regional District of Nanaimo General Local Election Bylaw No. 1700, 2014", be introduced and read three times.

CARRIED

MOVED Director Holme, SECONDED Director Houle, that "Regional District of Nanaimo General Local Election Bylaw No. 1700, 2014", be adopted.

CARRIED

Director Veenhof left the meeting at 8:06 pm citing a possible conflict of interest with the next agenda item.

Bylaw No. 1706 - Marine Search and Rescue Funding Service Establishment Bylaw - Electoral Area 'H'.

MOVED Director Holme, SECONDED Director Willie, that "Northern Community Marine Search and Rescue Contribution Service Establishment Bylaw No. 1706, 2014" be introduced and read three times and be forwarded to the Inspector of Municipalities for approval.

CARRIED

MOVED Director Holme, SECONDED Director Willie, that the Regional District proceed to referendum on November 15, 2014 to obtain the assent of the electors of Electoral Area 'H' to establish a Northern Community Marine Search and Rescue Contribution Service and that the referendum question be as follows:

"Are you in favour of the Regional District of Nanaimo adopting Bylaw No. 1706 to provide for the following:

 establishing the "Northern Community Marine Search and Rescue Contribution Service" within Electoral Area 'H' to provide for a contribution to societies providing marine search and rescue in Electoral Area 'H'; and annually requisitioning up to a maximum of the greater of \$5,000 or \$0.006/\$1000 of taxable assessed value to pay for the service?"

CARRIED

MOVED Director Holme, SECONDED Director Willie, that the Board approve the synopsis of Bylaw No. 1706 for the publication of notices associated with the referendum as follows:

"Bylaw No. 1706 - Northern Community Marine Search and Rescue Contribution Service Establishment Bylaw No. 1706, 2014 — This bylaw provides for the following:

- establishing a service to provide for a contribution to societies that provide marine search and rescue in Electoral Area 'H';
- establishing the boundaries of the service area to be Electoral Area 'H'; and
- annually requisitioning up to a maximum of the greater of \$5,000 or \$0.006/\$1000 of taxable assessed value on land and improvements within the participating area to pay for the service."

CARRIED

Director Veenhof returned to the meeting at 8:08 pm.

STRATEGIC AND COMMUNITY DEVELOPMENT

LONG RANGE PLANNING

Regional Growth Strategy Indicators and Targets Project - Draft Indicators and Targets.

MOVED Director Johnstone, SECONDED Director Pattje, that staff proceed with community engagement activities as per the adopted Terms of Reference, to gather feedback on the draft list of indicators and targets. Following community engagement, prepare a report on the results with recommendations for a final list of indicators and targets.

CARRIED

REGIONAL AND COMMUNITY UTILITIES

WASTEWATER

Engineering Services for the Replacement and Upgrading of the Nanaimo Pollution Control Centre Five Fingers Marine Outfall – Bylaw No. 1712.

MOVED Director Ruttan, SECONDED Director Brennan, that the Board award the contract for Engineering Services for the replacement of the Five Fingers Outfall to Opus Dayton Knight for the submitted upset price of \$742,000.

CARRIED

MOVED Director Ruttan, SECONDED Director Brennan, that "Southern Community Sewer Service Area Development Cost Charge Reserve Fund Expenditure Bylaw No. 1712, 2014" be introduced and read three times.

MOVED Director Ruttan, SECONDED Director Brennan, that "Southern Community Sewer Service Area Development Cost Charge Reserve Fund Expenditure Bylaw No. 1712, 2014" be adopted.

CARRIED

Bylaw 975.62 – Pump and Haul Local Service Establishment Amendment to Exclude – 7187 Lantzville Road, Lantzville, BC.

MOVED Director de Jong, SECONDED Director Young, that the boundaries of the "Regional District of Nanaimo Pump & Haul Local Service Establishment Bylaw No. 975, 1995" be amended to exclude Lot A, District Lot 27G, Plan 29942, Wellington Land District.

CARRIED

MOVED Director de Jong, SECONDED Director Young, that "Regional District of Nanaimo Pump & Haul Local Service Amendment Bylaw No. 975.62, 2014" be introduced and read three times.

CARRIED

WATER AND UTILITY

Nanoose Bay Peninsula Water Service Area Capital Improvements Referendum - Bylaw No. 1714.

MOVED Director Holme, SECONDED Director Brennan, that the "Nanoose Bay Peninsula Water Service Area Capital Improvements Loan Authorization Bylaw No. 1714, 2014" be introduced and read three times and be forwarded to the Inspector of Municipalities for approval.

CARRIED

MOVED Director Holme, SECONDED Director Brennan, that the Regional District proceed to referendum on November 15, 2014 to obtain the assent of the electors of the Nanoose Bay Peninsula Water Service Area for borrowing \$2,600,000 in support of the 2015 to 2019 capital improvements and upgrades, and that the question be as follows:

Are you in favour of the Regional District of Nanaimo adopting Bylaw No. 1714 to authorize the borrowing of up to \$2.6 million to provide the necessary funds to meet the Nanoose Bay Peninsula Water Service Area capital improvement and upgrades requirements up to and including 2019?

CARRIED

MOVED Director Holme, SECONDED Director Brennan, that the Board approve the synopsis of Bylaw No. 1714 for the publication of notices associated with the referendum as follows:

Bylaw No. 1714 - "Nanoose Bay Peninsula Water Service Area Capital Improvements Loan Authorization Bylaw No. 1714, 2014" — The general intent of this bylaw is to authorize the Regional District of Nanaimo to borrow upon the credit of the Regional District a sum not exceeding Two Million Six Hundred Thousand Dollars (\$2,600,000) to provide the necessary funds to meet the Nanoose Bay Peninsula Water Service Area capital improvement and upgrades requirements up to and including 2019. The maximum term for which debentures may be issued to secure the debt created by this bylaw is 20 years.

Bylaws No. 813.52, 889.68, 1707, 1708, 1709, and 1710 – Reid Road Sanitary Sewer Capital Financing Service Establishing Bylaw and Loan Authorization Bylaw.

MOVED Director Veenhof, SECONDED Director Ruttan, that Regional District of Nanaimo "Reid Road Sanitary Sewer Capital Financing Service Establishing Bylaw No. 1707, 2014", be introduced, read three times and forwarded to the Inspector of Municipalities for approval.

CARRIED

MOVED Director Veenhof, SECONDED Director Ruttan, that Regional District of Nanaimo "Reid Road Sanitary Sewer Capital Financing Loan Authorization Bylaw No. 1708, 2014", be introduced, read three times and forwarded to the Inspector of Municipalities for approval.

CARRIED

MOVED Director Veenhof, SECONDED Director Ruttan, that Regional District of Nanaimo "French Creek Sewerage Facilities Local Service Boundary Amendment Bylaw No. 813.52, 2014, be introduced and read three times.

CARRIED

MOVED Director Veenhof, SECONDED Director Ruttan, that "Regional District of Nanaimo Northern Community Sewer Local Service Boundary Amendment Bylaw No. 889.68, 2014", be introduced and read three times.

CARRIED

MOVED Director Veenhof, SECONDED Director Ruttan, that Regional District of Nanaimo "Reid Road Sanitary Sewer Capital Financing Service Security Issuing Bylaw No. 1709, 2014" be introduced and read three times.

CARRIED

MOVED Director Veenhof, SECONDED Director Ruttan, that Regional District of Nanaimo "Reid Road Sanitary Sewer Capital Financing Service Interim Financing Bylaw No. 1710, 2014" be introduced and read three times.

CARRIED

EXTERNAL BOARDS

Englishman River Water Service.

Minutes of the Englishman River Water Service Management Board meeting held Friday, May 16, 2014.

MOVED Director Holme, SECONDED Director Ruttan, that the minutes of the Englishman River Water Service Management Board meeting held Friday, May 16, 2014, be received for information.

CARRIED

Minutes of the Englishman River Water Service Management Board meeting held Thursday, June 5, 2014.

MOVED Director Holme, SECONDED Director Brennan, that the minutes of the Englishman River Water Service Management Board meeting held Thursday, June 5, 2014, be received for information.

Preliminary Design of the Water Intake, Treatment Plant, and Supply Mains, and Detailed Design for the Water Intake, Treatment Plant, and Supply Mains.

MOVED Director Holme, SECONDED Director Johnstone, that the Board receive for information the report titled "Preliminary Design of the Water Intake, Treatment Plant, and Supply Mains, and Detailed Design for the Water Intake, Treatment Plant, and Supply Mains", dated June 5, 2014.

CARRIED

MOVED Director Holme, SECONDED Director Johnstone, that the Englishman River Water Service Management Board direct the Englishman River Water Service Management Committee to continue to proceed with negotiating the terms and conditions with the two top rated membrane vendors for the purpose of engaging the top rated membrane vendor for detailed design services in the amount not to exceed \$415,000 plus GST.

CARRIED

MOVED Director Holme, SECONDED Director Johnstone, that the Englishman River Water Service Management Board authorize the Englishman River Water Service Management Committee to engage CH2M Hill to complete Phase 4 – Detailed Design of the Water Intake, Treatment Plant and Supply Mains for \$1,619,328 plus GST.

CARRIED

Arrowsmith Water Service

Minutes of the Arrowsmith Water Service Management Board meeting held Thursday, June 5, 2014.

MOVED Director Holme, SECONDED Director Ruttan, that the minutes of the Arrowsmith Water Service Management Board meeting held Thursday, June 5, 2014, be received for information.

CARRIED

NEW BUSINESS

Nanoose Bay Activities and Recreation Society, re Modular building – Home for Nanoose Community Services.

MOVED Director Holme, SECONDED Director Young, that the Nanoose Bay Activities and Recreation Society be permitted to site a portable on Regional District of Nanaimo leased lands at Lot 2, District Lot 6, Nanoose District Plan 50996 to be used by Nanoose Community Services conditional on the Society attaining the necessary permits from the Regional District of Nanaimo Building Inspection Department.

CARRIED

Island Corridor Foundation Contribution Agreement.

MOVED Director Willie, SECONDED Director Young, that the Regional District of Nanaimo request the Island Corridor Foundation to send the financial statements from last year and that they be distributed to the Board by July 15, 2014.

CARRIED

Tourism Vancouver Island, re Request for Funding Contribution.

MOVED Director Ruttan, SECONDED Director Veenhof, that the request for funding from Tourism Vancouver Island be referred to staff to provide options.

CHAIR	V			

Dear Chair Stanhope:

I am writing in response to your correspondence of July 15, 2014 to my colleague the Honourable Rona Ambrose, Minister of Health, requesting federal funding for a new water treatment facility for residents in the Regional District of Nanaimo.

I am very proud that our Government has delivered a New Building Canada Plan (NBCP) to help finance the construction, rehabilitation and enhancement of infrastructure across Canada. The Plan includes over \$53 billion for provincial, territorial and municipal infrastructure over 10 years. Combined with investments in federal infrastructure and First Nations' infrastructure, total federal spending for infrastructure will reach \$70 billion over the next decade. This is the largest and longest federal investment in job-creating infrastructure in Canadian history.

The New Building Canada Fund (NBCF) is one component within the overall NBCP. It is a \$14-billion Fund that will support projects of national, regional and local significance that promote economic growth, job creation and productivity. It includes two major components:

- The \$4-billion National Infrastructure Component (NIC), which will support projects of national significance. Project funding will be determined by project merit, guided by federal priorities.
- The \$10-billion Provincial-Territorial Infrastructure Component (PTIC), which will provide \$9 billion for national and regional projects (NRP) and \$1 billion for projects in communities under 100,000 residents through the Small Communities Fund (SCF). The Province of British Columbia's total allocation under the PTIC is \$1,089,897,436.

This funding is in addition to the almost \$22 billion that all municipalities will receive through the indexed and expanded federal Gas Tax Fund (GTF) over the next decade and the \$10.4 billion available to municipalities under the Goods and Services Tax Rebate. The new Canada-BC GTF Agreement was announced on May 22, 2014. Under this agreement, the Province of British Columbia will receive approximately \$2.76 billion in funding over the next 10 years. In addition, the new GTF agreement expands the number of eligible project categories from 7 to 18 to provide municipalities with greater flexibility to allocate federal GTF funds to their local priorities. The complete list of eligible project categories are as follows: drinking water, wastewater, solid waste, public transit, local roads and bridges, community energy systems, capacity building, disaster mitigation, broadband connectivity, highways, short-line rail, short-sea shipping, brownfield redevelopment, regional and local airports, and projects supporting culture, tourism, sport and recreation.

I am pleased to note that drinking water infrastructure, which includes water treatment plants and water distribution systems, is an eligible funding category under the PTIC and the GTF.

As you may know, the NBCF was officially launched on March 28, 2014. Projects under the PTIC must be prioritized by the Province and submitted to the Government of Canada for funding consideration. I would encourage you to contact the British Columbia Ministry of Transportation and Infrastructure regarding your project. Additional information about the PTIC, including how to apply, can be found at http://www.infrastructure.gc.ca/plan/nrp-pnr-prog-eng.html.

If your officials have any questions or require clarification on any aspect of the NBCP, they should contact Jeff Moore, Assistant Deputy Minister, Policy and Communications, Infrastructure Canada, at Jeff.Moore@infc.gc.ca.

As always, I look forward to ongoing collaboration with the Regional District of Nanaimo as we continue to make record investments in world-class infrastructure that supports job creation, economic growth and high quality of life for Canadians in every community across Canada.

Yours sincerely,

Denis Lebel, P.C., M.P.

c.c. The Honourable Rona Ambrose, P.C., M.P. Minister of Health

The Honourable James Moore, P.C., M.P. Minister of Industry

SEP 0 2 2014

Mr. Joe Stanhope Board Chair Regional District of Nanaimo 6300 Hammond Bay Road Nanaimo, BC V9T 6N2

Dear Chair Stanhope and Board of Directors:

Re: Metro Vancouver Waste Flow Management and the Greater Vancouver Sewerage and Drainage District Recyclable Material Regulatory Bylaw No. 280

On February 3, 2014, your Regional District wrote to the Minister of Environment advising that the Nanaimo Regional District Board had resolved to endorse Metro Vancouver's waste flow management strategy and Bylaw 280. We appreciate the interest and support of the Nanaimo Regional District in this important issue. The purpose of this letter is to update you on Bylaw 280 concerns and encourage further communication with the Minister of Environment if your region is experiencing similar pressures with respect to waste being exported from your region.

Metro Vancouver recently wrote to the Minister of Environment (attached) updating her on Bylaw 280 issues and advising that the amount of waste bypassing Metro Vancouver Regional Facilities continues to increase. We now estimate that one waste hauler is delivering 2/3 of all of the waste it collects in the Metro Vancouver region to a transfer station in Abbotsford. Our estimate for waste crossing the U.S. border at Abbotsford for July 2014 is nearly 18,000 tonnes, up approximately 8,000 tonnes from July 2013. We project that total waste bypassing Regional Facilities will increase from 50,000 tonnes per year in 2012 to 100,000 tonnes per year in 2014. We see the potential for additional increases if other waste haulers begin to bypass Regional Facilities.

We noted in our letter to the Minister that our understanding is that commercial haulers are also exporting waste out of central Vancouver Island. If commercial haulers are exporting waste out of the Regional District of Nanaimo with consequential financial and policy implications, we encourage you to write the Minister of Environment to update her on your waste flow issues. With the upcoming requirement for Regional District Boards to consider operating and capital budgets for solid waste management services, a timely decision on Bylaw 280 by the Minister will ensure greater certainty in projecting waste flows and budget information for 2015.

If you have any questions on this issue, please contact Paul Henderson, General Manager of Solid Waste Services, at paul.henderson@metrovancouver.org or 604-432-6442.

Yours truly,

Malcolm Brodie

Chair, Zero Waste Committee

Executive Offices Tel. 604 432-6215 Fax 604 451-6614

August 14, 2014 File: CP-16-02-016

The Honourable Mary Polak, Minister Ministry of Environment PO Box 9047 Stn Prov Govt Victoria, BC V8W 9E2

Dear Minister Polak:

Re: Metro Vancouver Bylaw 280 – Update

We last wrote to you on May 28, 2014, in response to a B.C. Chambers of Commerce resolution with respect to Bylaw 280. We are writing to update you on matters related to Bylaw 280, and to request a meeting to continue our discussions on this important issue.

Bypassing Waste Quantities

Metro Vancouver now estimates that at least 100,000 tonnes per year of waste is bypassing Regional Facilities, up from 70,000 tonnes in 2013 and 50,000 tonnes in 2012. We estimate that one large hauler is now delivering up to two-thirds of all of the waste it collects in the Metro Vancouver region to a transfer station in Abbotsford. In total, more than 10,000 garbage truck loads per year of waste is unnecessarily being driven from Metro Vancouver to Abbotsford.

Furthermore, we estimate that waste crossing the U.S. border at Abbotsford is at a record high. Our estimate for July 2014 is nearly 18,000 tonnes, up approximately 8,000 tonnes from July 2013. For your information, we have attached our monthly estimates of waste crossing the U.S. border at Abbotsford over the last number of years. As shown in the chart, the waste quantities crossing the border have increased dramatically since Metro Vancouver first identified the waste flow issue, in spite of overall reductions in the amount of total waste generated.

Metro Vancouver data continue to show only a small number of haulers bypassing Regional Facilities; if other haulers begin bypassing, the quantities will further increase.

We understand that waste haulers on Vancouver Island are increasingly bypassing regional district facilities and shipping waste to U.S. landfills. The Nanaimo Regional District in particular is seeing large quantities of waste bypassing their system with consequential negative financial and policy implications.

Waste Management Costs

In 2012, the region's diversion rate was 58% and approximately one million tonnes of waste were received at Regional Facilities. Metro Vancouver's projections for future tipping fees are based on achieving 70% diversion by 2015 and 80% by 2020. At 80% diversion, we expect that 700,000 tonnes of garbage will require disposal.

Metro Vancouver operates a financially self-sustaining solid waste system based on a user-pay model with weight-based tipping fees. The tipping fee is annually set by the Board based on the projected cost of the solid waste system divided by the projected total waste tonnage.

Increased recycling and decreased waste volumes do not reduce fixed costs for facility operations and planning; as a result, in order to cover system costs, tipping fees increase with decreasing waste quantities. Tipping fees are therefore projected to increase over the next few years. If, however, waste quantities do not decline to the extent projected, tipping fees will increase less than projected.

The rate of projected increase of the tipping fee is approximately proportional to the decrease in waste volumes; therefore, total disposal costs for an individual business should not increase as long as their waste disposal quantities reduce at the same rate as the rest of the Metro Vancouver region.

Approximately 60% of the waste delivered to Regional Facilities arrives in large commercial vehicles; however, about 80% of the users who rely on Regional Facilities are small businesses and residents, delivering loads in small vehicles, at an average of only 200 kg per load, compared to up to 10,000 kg per load for a commercial hauler. If commercial haulers continue to bypass Regional Facilities, and Metro Vancouver continues to provide waste management services for small business, residential drop-offs, and municipally collected garbage, there will be insufficient revenue to pay for these core waste management services along with waste reduction, recycling and other solid waste planning activities.

In other communities where tipping fees alone do not cover the cost of solid waste management activities, these costs are transferred to property taxes. Therefore, any reduction to garbage disposal fees experienced by individual businesses whose hauler bypasses Regional Facilities could be offset by increased property taxes charged to all businesses and residents in the region.

If Metro Vancouver does not provide waste disposal services in the future, there is significant uncertainty as to how residents and small businesses will access services, creating inconvenience and a risk of increased illegal dumping around the region.

Waste Diversion

Without Bylaw 280, Metro Vancouver's disposal bans will be rendered ineffective as haulers bypassing Regional Facilities will not be subject to bans. Recycling rates would stall or decrease and the region's waste diversion targets would not be achieved.

Metro Vancouver is introducing an organics disposal ban in 2015 that will be applied at Regional Facilities. Under Metro Vancouver's model of charging all users of Regional Facilities the same per

tonne disposal fee, organics processing is less expensive than garbage disposal. Municipalities around the region have been able to keep residential waste management costs flat and in some cases reduce costs by enhancing organics collection and diversion, and reducing garbage collection amount and frequency. In Vancouver, a Recycling Alternative (Bylaw 280 supporter and member of the Recycle First Coalition) pilot project underway at Pacific Centre Mall processes food court organics onsite, resulting in an 80% reduction in quantities of organics required to be sent off-site for processing, and substantial cost savings. If bypassing of Regional Facilities continues, innovative waste reduction solutions such as Recycling Alternative's pilot are unlikely to succeed.

Waste-to-Energy and Mixed Waste Material Recovery Facilities

Particular stakeholders continue to tie Bylaw 280 to waste-to-energy (WTE) and suggest that rejecting Bylaw 280 will allow for the development of mixed waste material recovery facilities (MRFs) as an alternative to WTE.

As we have communicated previously, the development of WTE for the region has its own consultation and engagement process that will culminate in an environmental assessment process and will ultimately require your approval. We encourage stakeholders to participate in that process.

MRF proponents have suggested that MRFs would operate at marginally lower tipping fees than Regional Facilities. They suggest that their business model would not be impacted by waste being delivered to Abbotsford because they say only a small amount of waste is bypassing Regional Facilities and only from the eastern edge of the Region. It is clear now that large quantities of waste are bypassing Regional Facilities from the majority of the Region with the potential for significant increases if other haulers begin to bypass Regional Facilities. On this basis, if the MRF proponents' interest was really to recover recyclables from garbage, they would support Bylaw 280 because it prevents low-cost transfer stations. We are not aware of examples anywhere in North America or Europe of MRFs being developed without flow control mechanisms in place given the high cost of mechanically processing garbage.

The provisions in Bylaw 280 with respect to MRFs are reasonable in that they ensure MRFs do not undermine source separation, and that the MRFs do not act as transfer stations for the purpose of bypassing Regional Facilities. The Institute of Scrap Recycling Industries, the US's largest recycling trade organization, has recently issued a policy position opposing commingling of recyclables with garbage, because of poor-quality end-product recyclables: http://www.isri.org/docs/default-source/policy-position-statements/one-bin-collection-policy.pdf?sfvrsn=4. This position is consistent with the Bylaw 280 approach.

On July 22, 2014, presentations at the Zero Waste Committee and a Sustainability Dialogue by European waste management experts confirmed that in spite of significant investments and state—of-the art technology, European MRFs are failures due to low-quality end-products, and that MRFs in the U.K. and the Netherlands simply preprocess waste for either landfill or WTE disposal. These presentations are available online at:

http://www.metrovancouver.org/region/dialogues/Pages/default.aspx

Implications of Bylaw 280 Not Being Approved

In the event Bylaw 280 is not approved in the near future, the following impacts should be expected:

- Increasing quantities of commercial waste collected in Metro Vancouver shipped to U.S. landfills, with similar trends expanding across southern B.C.
- Stalled recycling rates and failure to achieve the waste diversion targets in the Integrated Solid Waste and Resource Management Plan, the region's approved solid waste management plan.
- Insufficient revenues to fund solid waste functions, including providing core waste disposal services to residents and businesses around the region. This is a particularly important issue as Metro Vancouver plans the 2015 solid waste budget.
- Lost jobs and economic opportunities for small businesses, including small haulers and recycling companies around the region.

Bylaw 280 is consistent with the Province's 5Rs hierarchy and sustainability principles, and approval of Bylaw 280 will ensure that British Columbia continues to be a North American leader in waste management policy and practices.

Given the importance of Bylaw 280, we would like the opportunity to meet with you to continue our discussions. Metro Vancouver staff will contact your office to schedule a meeting.

Yours truly,

Greg Moore, Chair Metro Vancouver Board Malcolm Brodie, Chair Zero Waste Committee

MEMORANDUM

TO:

Board of Directors

DATE:

September 1, 2014

FROM:

Paul Thorkelsson

Chief Administrative Officer

SUBJECT:

Regional District of Nanaimo - Operational and Efficiency Review, 2014 Community

Survey

PURPOSE

The report and presentation introduces the findings of the 2014 Regional District of Nanaimo Community Survey, undertaken as part of the Operation and Efficiency Review, for consideration by the Board and release to the Community.

BACKGROUND

In the Fall of 2013 the RDN Board directed staff to undertake an internal "bottom-up" review of the operations of the Regional District of Nanaimo. This review has been fully underway for the past 8 months and is expected to be complete and reported back to the RDN Board early in 2015. As part of the approved review process the Board directed that a broad survey of the residents of the RDN regarding their use, experiences and satisfaction with existing services, service levels and performance of RDN services be undertaken.

The key research objectives of the project included:

- Identify the issues seen as most in need of attention from local leaders;
- Assess perceptions of the quality of life in the Regional District of Nanaimo;
- Measure satisfaction with Regional District of Nanaimo Board and Administration;
- Measure satisfaction with specific Regional District of Nanaimo services;
- Determine the perceived value for taxes and identify preferred funding options;
- Understand information needs and communication preferences; and,
- Gauge the incidence of contacting the Regional District of Nanaimo and satisfaction with contact experiences.

The professional polling agency IPSOS Public Affairs was engaged to undertake Citizen Satisfaction Survey interviews across the Regional District of Nanaimo. Between the dates of January 15 and April 9, 2014, IPSOS conducted a total of 1325 interviews with a sample of Regional District of Nanaimo residents aged 18 years or older. A number of methodologies were utilized to allow residents to participate including, postcard mail-outs, telephone (random digit dialling) contacts, telephone (cell phones) contacts, telephone (call-backs) contacts, and an online version of the survey were each used to attempt to maximize participation.

This report presents the results of the 2014 Community Survey. Where appropriate, the Regional District of Nanaimo's results have been compared against IPSOS' database of municipal norms for British Columbia, and in addition the resulting data in the final report is broken down by jurisdiction (Municipalities and Electoral Areas) for better understanding of community opinion.

The overall results of the Survey are accurate to within ±2.69 percentage points, nineteen times out of twenty. The margin of error will be larger for sample subgroups, that is, for the surveyed sample within individual areas.

It is important to note that in addition to its contribution to the operational review, the information gathered through the survey will also be of significant value to the Board for strategic planning purposes. The completion of the work at this time is well timed and is excellent preparation material and information for the strategic planning efforts of the Board that will follow the 2014 election.

ALTERNATIVES

- 1. To receive the Final Report on the findings of the 2014 Community Survey and direct staff to formally release the information to the Community.
- 2. To provide alternate direction to the Chief Administrative Officer.

DISCUSSION

The purpose of the Operational Review is to identify opportunities to streamline service delivery where possible, achieve cost efficiencies, improve service delivery and effectiveness, reduce duplication, enhance services where required and appropriate, and facilitate ongoing performance measurement and analysis. The review is expected to strengthen the link of service delivery to the strategic priorities of the RDN. Aligned with this purpose, the results of the Community Survey provides an additional insight into the evaluation of RDN operations, and provides the organization a clear picture of residents' views regarding their use, experiences and satisfaction with existing services, service levels and performance of RDN services.

The circulated full documentation of the final results provides the Board and Community with the detailed data collected from the survey. The Key findings from the Survey include:

Quality of Life

Nearly all residents speak positively about the quality of life in the Regional District of Nanaimo. The vast majority of citizens rate the overall quality of life in the Regional District as "very good" or "good".

Most residents feel the quality of life in the Regional District of Nanaimo has stayed the same over the past three years. When asked how the quality of life in the Regional District of Nanaimo has changed over the past three years, nearly two-thirds of citizens say it has "stayed the same". Of the remaining citizens, slightly more think the quality of life has "worsened" than "improved".

Issue Agenda

Services and transportation top the public issues agenda. Secondary issues include growth and development, the economy, education, the environment and taxation/spending.

Satisfaction with Regional District of Nanaimo Board and Administration

Citizens are satisfied with Regional District of Nanaimo Board and Administration. Three-quarters of citizens are satisfied with how the Regional District government as a whole is providing services to the community. Satisfaction ratings are slightly lower, but still well above majority approval, when asked about Board and Administration separately.

Satisfaction with Regional District of Nanaimo Services

Citizens are satisfied with the overall level and quality of Regional District of Nanaimo services. However, satisfaction with specific services varies:

- Of the services asked to all respondents, residents are most satisfied with "parks, trails, and other green space". The majority are also satisfied with "cost and accessibility to regional landfill and transfer station", "recreational programs", "communication with residents", and "waste water treatment". Only one-third are satisfied with "public transit".
- Of the services asked to those living in Electoral Areas, respondents are most satisfied with "garbage pickup from your residence", "recycling pickup from your residence", and "fire protection services". Fewer are satisfied with "drinking water quality", "emergency planning/preparedness", "land use and community planning", and "bylaw enforcement and building inspection".

Public transit is not only the least satisfactory service, but is also the service residents would most like to see expanded. A slight majority would also like to see "communication with residents" expanded, while one-half feel this way about "parks, trails, and other green space". There is no pressing demand for service expansions in any of the other areas tested.

Financial Planning

Citizens believe they receive good value for their tax dollars. Three-quarters of citizens think they receive good value for the tax dollars they pay to the Regional District of Nanaimo.

Citizens would prefer the Regional District of Nanaimo consider increased user fees rather than tax increases or service cuts. To contend with the increased cost of maintaining current service levels and infrastructure, 51% of citizens would prefer the Regional District increase user fees compared to 18% opting for increased taxes and 13% opting for service cuts.

Residents would rather reduce community grants than pay more in taxes. When given a choice between increased taxes or reductions in community grants, 51% of residents opt to reduce grants compared to 38% saying increase taxes.

Communication

Information needs are diverse and varied. When asked about the kinds of information they want the Regional District of Nanaimo to provide them with, the top two mentions are "community updates/what's new" and "taxes/property taxes/budget"; however, even these are mentioned by less than 10% of respondents. Of note, nearly one-half say "don't know" or "none/nothing".

Citizens prefer traditional communication methods such as the newspaper and mail.

Customer Service

Over one-third of residents have contacted or dealt with the Regional District of Nanaimo in the last 12 months. The reasons for contacting the Regional District are diverse and varied, and many respondents are unable to recall their reason for contact.

Citizens are generally satisfied with the service they receive when contacting the Regional District of Nanaimo. Among those making contact with the Regional District, eight-in-ten are satisfied with the overall service they received. Satisfaction is highest for staff's courteousness, followed by staff's helpfulness, knowledge, speed and timeliness of service, and ease of reaching staff.

Overall, citizens demonstrate predominately positive views of the Regional District of Nanaimo. While there are issues that citizens would like to see receive greater attention, the overall positive tone suggests the survey results should be viewed in a favourable context.

As noted in the introduction, the information and data gathered through the survey, in addition to its contribution to the operational review, will also be of significant value to the Board for strategic planning purposes. Following direction from the Board, staff will forward the information from the survey to the community and local media including delivery of all households in the RDN through the RDN Perspectives publication.

FINANCIAL IMPLICATIONS

There are no cost implications for the alternatives included in this report. The survey undertaken was performed by the consultant within the cost and budget parameters established by the Board in directing the Operational and Efficiency Review and the Survey.

STRATEGIC PLAN IMPLICATIONS

The work of the 2014 Community Survey is well aligned with the Board's established Strategic Plan. Part of the intent, and expected outcome, of the Operational Review (of which this survey forms an important part) is to ensure that existing services, service levels, and resourcing are all strongly linked to the established strategic priorities. More specifically the review works toward greater progress in three of the four Strategic Priority areas - Self-Sufficiency, Economic Viability and Monitoring and Adaption. The information and data gathered by the 2014 Community Survey will aid in the development of recommendations for improvements of RDN operations as part of the review and in increasing progress towards the strategic priorities as established by the RDN Board.

SUMMARY/CONCLUSIONS

IPSOS Public Affairs was engaged to undertake Citizen Satisfaction Survey interviews across the Regional District of Nanaimo as part of the Operation and Efficiency Review. Between January and April 2014, IPSOS conducted a total of 1325 interviews with residents of the RDN. This report overviews the key results of the 2014 Community Survey and provides an insight and a clear picture of residents' views regarding their use, experiences and satisfaction with existing services, service levels and performance of RDN services.

The information and data gathered through the survey, in addition to its contribution to the operational review, will also be of significant value to the Board for strategic planning purposes. Following direction from the Board, staff will forward the information from the survey to the community and local media including delivery of all households in the RDN through the RDN Perspectives publication.

This survey is one part of an innovative approach to the review of local government services at the RDN underway through the Operational and Efficiency Review which will enable the RDN to meet future challenges in an equally innovative, effective and efficient fashion.

RECOMMENDATION

Chief Administrative

That the Board receive the Final Report on the results of 2014 Community Survey and direct staff to release and distribute the information through the RDN website, local media and any other appropriate communication channels.

BOARD						

MEMORANDUM

TO: Board of Directors DATE: September 9, 2014

FROM: Paul Thorkelsson FILE: 0360-20-BRRC-2014

Chief Administrative Officer

SUBJECT: Board Remuneration – Bylaw No. 1078.08 and Bylaw 1317.04

PURPOSE:

To provide bylaws to amend Board remuneration rates commencing with the inauguration of the next Board of Directors in December 2014.

BACKGROUND:

A Board Remuneration Review Committee was appointed by the Board in April 2014 to review remuneration and expense reimbursement rates to be effective the term following local government elections. The Committee concluded its review and provided recommendations for the Board's consideration at the August 26, 2014 regular Board meeting. Following discussion of the Committee recommendations, the Board passed the following motion:

That Board Remuneration be referred to staff to revise Bylaw No. 1078.08, 2014 with the addition of additional meeting compensation for Directors.

The bylaw has been revised as directed by adding back the additional per meeting remuneration as set out in the current bylaw, and the remuneration bylaws are attached to this report for consideration of the Board (see attachment 1).

Updated comparison information of a select peer group of regional districts is also provided for the Board's review that includes updated 2015 remuneration rates where available (see attachment 2). It is difficult to provide any direct comparison of regional district remuneration and additional meeting per diems as each have different per meeting criteria set out in their bylaws and each regional district varies in how they pay for additional meeting attendance. For comparison purposes, attachment 2 includes comparison of the revised RDN base remuneration (from the August 26, 2014 Remuneration Committee recommendations) against both the straight average of the peer group and against the average when the highest and lowest peers are excluded.

An alternative version of the Remuneration Bylaws are also provided for consideration of the Board that includes the additional meeting compensation as directed by the Board, and sets the remuneration rates (base and allowances) at 100% of the average remuneration for the peer group when excluding the highest and lowest peers (see attachment 3).

For comparison purposes, staff have also included a summary of the Statement of Financial Information (SOFI) reports for the regional district peer group (see attachment 4). The SOFI report does not generally provide a direct comparison of regional district remuneration rates because it includes taxable benefits in the totals reported.

ALTERNATIVES:

- 1. Adopt the remuneration bylaws as presented in attachment 1.
- 2. Adopt the remuneration bylaws as presented in attachment 3.
- 3. That alternate direction be provided to staff.

FINANCIAL IMPLICATIONS:

Alternative 1:

The remuneration paid to Board members at the RDN is funded through two services, the Legislative Services Function funded by all participants and the Electoral Areas Administration Service which is funded by Electoral Areas. The Electoral Areas Administration Service is used to fund the extra allowance paid to Electoral Area Directors only, and the Legislative Services function is used to fund Municipal Directors' allowances along with the Board Chairperson's allowance and the additional meetings allocation.

The recommendations by the Committee are to provide an increase to the Electoral Area Director and Chairperson allowances to recognize the increasing complexity of their work and demands on time being seen by these elected representatives, and to move to an annual fixed remuneration (base and allowance) that incorporates all aspects of the service provided by Directors including all meeting attendance. This change would result in an estimated annual cost in 2015 of \$320,880 for total elected member remuneration.

With adding back per meeting compensation based on the August 26, 2014 Board meeting motion, the estimated total to be paid in 2015 would increase by \$44,830 (\$32,880 for Electoral Areas and \$11,950 for Municipalities based on 2013 actuals). This would result in an estimated total cost in 2015 of \$365,700 for Board Remuneration including all increases recommended by the Committee and the add back of a per meeting stipend. 2014 total Board remuneration is estimated at \$306,855 again using 2013 actuals for the per meeting remuneration component estimate. The 2013 total was \$299,925 and the 2012 total was \$297,040.

The following table summarizes the impact on individual Board members under this scenario. The totals provided are an estimate based on average meeting attendance and would vary for individual directors depending on actual meeting attendance.

	Estimated # of Mtgs for Stipend	Base Remuneration (2015 Revised)	Per Meeting Estimate	Total
Electoral Area Director	60 = average with 10 as Chair	\$24,190 ⁽¹⁾	\$4,600	\$28,790
Municipal Director	17 = average	\$13,205 ⁽¹⁾	\$1,190	\$14,395
Chairperson	100 in 2013	\$43,690(1)(2)	\$7,000	\$50,690

(1)Rates will include Cost of Living Adjustment on base \$13,205 paid to all directors

(2) Rate for Chairperson assumes that Chair will be an Electoral Area Director

The 2015 impact on the two service areas that fund Board remuneration is summarized in the following table.

	2014 Requisition	2015 Board Remuneration Change	2014 cost per \$100,000 assessment	2015 change to cost per \$100,000 assessment
Legislative Services	\$840,750	\$35,405	\$2.80	\$0.10
Electoral Area Administration	\$383,125	\$41,280	\$4.40	\$0.50

Alternative 2:

If the remuneration plan was revised to set the base rates at 100% of the comparative's average excluding the highest and lowest peers shown on attachment 2, and per meeting stipends were continued as in previous years, the total estimated cost in 2015 would be \$344,500 using 2013 actual amounts for the number of meetings/stipend amount.

The following table summarizes the impact on individual Board members under this scenario. The totals provided are an estimate based on average meeting attendance and would vary for individual directors depending on actual meeting attendance.

	Estimated # of Mtgs for Stipend	Base Remuneration (2015 Revised)	Per Meeting Estimate	Total
Electoral Area Director	60 = average with 10 as Chair	\$21,220	\$4,600	\$25,820
Municipal Director	17 = average	\$13,485	\$1,190	\$14,675
Chairperson	100 in 2013	\$37,410 ⁽¹⁾	\$7,000	\$44,410

(1)Rate for Chairperson assumes that Chair will be an Electoral Area Director

The 2015 impact of this alternative on the two service areas that fund Board remuneration is summarized in the following table.

	2014 Requisition	2015 Board Remuneration Change	2014 cost per \$100,000 assessment	2015 change to cost per \$100,000 assessment
Legislative Services	\$840,750	\$47,335	\$2.80	\$0.20
Electoral Area Administration	\$383,125	\$8,050	\$4.40	\$0.10

Alternative 3:

Any financial impacts would need to be evaluated based on alternate Board direction.

SUMMARY/CONCLUSIONS:

The Board received the recommendations of the Board Remuneration Review Committee at its August 26, 2014 regular Board meeting and directed staff to revise Bylaw No. 1078.08, 2014 with the addition of additional per meeting compensation for Directors.

The bylaw has been revised as directed by adding back the additional per meeting remuneration as set out in the current bylaw (see attachment 1). An alternative version of the bylaws are also provided for consideration of the Board that include additional per meeting compensation and sets the remuneration rates (base and allowances) at 100% of the average remuneration for the regional district peer group when excluding the highest and lowest peers (see attachment 3).

The recommendations provided in this report follow the Board direction to staff provided at the August 26, 2014 meeting and as outlined under Alternative 1. If the Board wishes to consider the remuneration changes as outlined in Alternative 2 in the staff report, the following recommendations should be adjusted to refer to the bylaws provided in attachment 3.

RECOMMENDATIONS:

- 1. That "Regional District of Nanaimo Board and Committee Member Remuneration, Expenses and Benefits Bylaw No. 1078.08, 2014" as shown in attachment 1 be introduced and read three times.
- 2. That "Regional District of Nanaimo Board and Committee Member Remuneration, Expenses and Benefits Bylaw No. 1078.08, 2014" as shown in attachment 1 be adopted.
- 3. That "Regional District of Nanaimo Board Remuneration and Expenses (Electoral Areas Only) Bylaw No. 1317.04, 2014" as shown in attachment 1 be introduced and read three times.
- 4. That "Regional District of Nanaimo Board Remuneration and Expenses (Electoral Areas Only) Bylaw No. 1317.04, 2014" as shown in attachment 1 be adopted.
- 5. That the Board Remuneration Review Committee be dissolved.

CAO

Attachment 1

REGIONAL DISTRICT OF NANAIMO

BYLAW NO. 1078.08

A BYLAW TO AMEND REMUNERATION AND EXPENSE REIMBURSEMENT RATES FOR BOARD DIRECTORS

WHEREAS the Board of the Regional District of Nanaimo by bylaw, cited as "Regional District of Nanaimo Board and Committee Member Remuneration, Expenses and Benefits Bylaw No. 1078, 1997", and subsequent amendments thereto, provided for the remuneration rates and reimbursement of expenses incurred by Directors and Alternate Directors;

AND WHEREAS the Board of the Regional District of Nanaimo wishes to amend the bylaw on the recommendations of the 2014 Board Remuneration Review Committee;

AND WHEREAS the Board of the Regional District of Nanaimo wishes to introduce various housekeeping amendments;

NOW THEREFORE the Board of the Regional District of Nanaimo, in open meeting assembled, enacts as follows:

1. Citation

This bylaw may be cited as "Regional District of Nanaimo Board and Committee Member Remuneration, Expenses and Benefits Amendment Bylaw No. 1078.08, 2014".

2. Amendments

"Regional District of Nanaimo Board and Committee Member Remuneration, Expenses and Benefits Bylaw No. 1078, 1997" is amended as follows:

- (1) By deleting Schedule 'A' and replacing it with Schedule 'A' attached to and forming part of this bylaw.
- (2) By amending section references in sections 5, 6, 9 and 10 to correspond to the correct referenced section of the bylaw.
- (3) By amending the job titles in section 9 as follows:
 - (a) replace "General Manager, Finance & Information Services" with "Manager of Accounting Services"; and
 - (b) replace "Administrator" with "Chief Administrative Officer".

SCHEDULE 'A'

1. Remuneration rates effective commencing the pay period following the Inaugural Board Meeting in each year shall be as follows:

	<u>Dec. 2014</u>	<u>Dec. 2015</u>	Dec. 2016	<u>Dec. 2017</u>
All Directors	\$11,855 plus CPI adjustment plus \$1,350	Prior year plus CPI adjustment	Prior year plus CPI adjustment	Prior year plus CPI adjustment
Chairperson – allowance	\$19,500	Prior year plus CPI adjustment	Prior year plus CPI adjustment	Prior year plus CPI adjustment

(a) The base remuneration shall cover up to four regularly scheduled Board or Committee meetings, Ideas and Updates meetings and up to one additional informational seminar per month.

Note: CPI shall be based on the British Columbia Consumer Price Index as published at November 30th each year.

2. In addition to the remuneration rates shown at (1) above, there shall be paid the following rates:

Vice Chairperson of the Board

\$160 per meeting when acting as Chairperson

of the Board

Committee Chairperson (Standing, Select, Advisory, Public Hearing or Public

Information Meeting)

\$110 per meeting chaired

(has the same meaning as Committee Chairperson) Alternate Director \$80 per meeting when attending in the regular Director's place \$70 per meeting attended **Select Committees** \$70 per meeting attended **Scheduled Standing Committees** \$70 per meeting attended **Advisory Standing Committees Public Hearings** \$70 per meeting attended **Public Information Meeting** \$70 per meeting attended Other meetings \$70 per meeting for Directors appointed by the Board or the Chairperson to represent the Regional District at other Regional District business meetings

Committee Vice Chairperson

\$85 per meeting chaired

- (a) Where a Committee meeting, Public Hearing, Public Information meeting or Other Business meeting, exceeds half a day or four hours in length, the per diem shall be \$110.
- (b) The Chair and/or a Director designated by the Chair shall receive a meeting per diem of \$110 when attending meetings with senior levels of government or when representing the Regional District at locations outside of the Regional District unless otherwise remunerated as a representative of another organization attending the meeting.
- (c) Meeting per diems shall be paid for sub-committee work only where the committee appointment is to an organization constituted under Provincial legislation or is directly related to the Regional District's service responsibilities.
- 3. The rates above shall be reviewed by a Committee appointed by the Board in the year of Local Government elections and any changes shall be effective from the pay period following the December inaugural Board meeting of that year.

REGIONAL DISTRICT OF NANAIMO

BYLAW NO. 1317.04

A BYLAW TO AMEND THE SUPPLEMENTAL REMUNERATION RATES FOR ELECTORAL AREA DIRECTORS

WHEREAS the Board of the Regional District of Nanaimo by bylaw, cited as "Regional District of Nanaimo Board Remuneration and Expenses (Electoral Areas Only) Bylaw No. 1317, 2002", and subsequent amendments thereto, provided for the remuneration rates and reimbursement of expenses incurred by Electoral Area Directors;

AND WHEREAS the Board of the Regional District of Nanaimo wishes to amend the bylaw on the recommendations of the 2014 Board Remuneration Review Committee;

AND WHEREAS the Board of the Regional District of Nanaimo wishes to introduce housekeeping amendments;

NOW THEREFORE the Board of the Regional District of Nanaimo, in open meeting assembled, enacts as follows:

1. Citation

This bylaw may be cited as "Regional District of Nanaimo Board Remuneration and Expenses (Electoral Areas Only) Amendment Bylaw No. 1317.04, 2014".

2. Amendments

"Regional District of Nanaimo Board Remuneration and Expenses (Electoral Areas Only) Bylaw No. 1317, 2002" is amended as follows:

- (1) By deleting Schedule 'A' and replacing it with Schedule 'A' attached to and forming part of this bylaw.
- (2) By amending the job titles in section 6 as follows:
 - (a) replace "General Manager, Finance & Information Services" with "Manager of Accounting Services"; and
 - (b) replace "Manager of Financial Services" with "Treasurer".

10,985 \$ 24,190	16.78%				13.99%				-2.09%				

Comox Valley Regional District rates have been adjusted to 2015 rates per bylaw - the district chair will receive \$29,604 in addition to the EA or Municipal base. Above, the EA base of \$31,128 has been used for chair - this would be significantly lower if the \$12,072 Municipal base was used. * Note:

Comox Valley RD pays \$125.00 for CoW and Board meetings and for special committees of Board, public hearings. Annual increments for 2016, etc are BC CPI.

Cowichan Valley Regional District does not provide extra meeting per diems. Annual increments are matched to collective agreement increments.

**Note:

SCRD pays per meeting for all meetings resulting in a higher level of remuneration than noted here, eg, chair was approximately \$50,000 in 2013 & EA Directors average = \$37,000 per SOFI. SCRD increments by Vancouver CPI. *** Note

Central Okanagan rates are 2014 inclusive of annual increments based on Vancouver CPI. RDCO only pay per meeting for specific meetings noted in bylaw. ****Note

TNRD Municipal base is the average of 11 Municipal Director amounts which range from \$12,042 to \$14,902. Chair Base above also assumes chair is an EA Director and uses average of EA Directors. TNRD pays \$140.00 per day for attendance at specific meetings (excludes regular Board/Committee meetings) per their Bylaw No. 2456 to Directors only, not the chair. Thompson Nicola Regional District base is the average of 10 different EA Director remuneration amounts which range from \$19,333 to \$22,973 depending on location. *****Note:

Attachment 3

REGIONAL DISTRICT OF NANAIMO

BYLAW NO. 1078.08

A BYLAW TO AMEND REMUNERATION AND EXPENSE REIMBURSEMENT RATES FOR BOARD DIRECTORS

WHEREAS the Board of the Regional District of Nanaimo by bylaw, cited as "Regional District of Nanaimo Board and Committee Member Remuneration, Expenses and Benefits Bylaw No. 1078, 1997", and subsequent amendments thereto, provided for the remuneration rates and reimbursement of expenses incurred by Directors and Alternate Directors;

AND WHEREAS the Board of the Regional District of Nanaimo wishes to amend the bylaw on the recommendations of the 2014 Board Remuneration Review Committee;

AND WHEREAS the Board of the Regional District of Nanaimo wishes to introduce various housekeeping amendments;

NOW THEREFORE the Board of the Regional District of Nanaimo, in open meeting assembled, enacts as follows:

1. Citation

This bylaw may be cited as "Regional District of Nanaimo Board and Committee Member Remuneration, Expenses and Benefits Amendment Bylaw No. 1078.08, 2014".

2. Amendments

"Regional District of Nanaimo Board and Committee Member Remuneration, Expenses and Benefits Bylaw No. 1078, 1997" is amended as follows:

- (1) By deleting Schedule 'A' and replacing it with Schedule 'A' attached to and forming part of this bylaw.
- (2) By amending section references in sections 5, 6, 9 and 10 to correspond to the correct referenced section of the bylaw.
- (3) By amending the job titles in section 9 as follows:
 - (a) replace "General Manager, Finance & Information Services" with "Manager of Accounting Services"; and
 - (b) replace "Administrator" with "Chief Administrative Officer".

SCHEDULE 'A'

1. Remuneration rates effective commencing the pay period following the Inaugural Board Meeting in each year shall be as follows:

	<u>Dec. 2014</u>	<u>Dec. 2015</u>	<u>Dec. 2016</u>	<u>Dec. 2017</u>
All Directors	\$13,485	Prior year plus CPI adjustment	Prior year plus CPI adjustment	Prior year plus CPI adjustment
Chairperson – allowance	\$16,190	Prior year plus CPI adjustment	Prior year plus CPI adjustment	Prior year plus CPI adjustment

(a) The base remuneration shall cover up to four regularly scheduled Board or Committee meetings, Ideas and Updates meetings and up to one additional informational seminar per month.

Note: CPI shall be based on the British Columbia Consumer Price Index as published at November 30th each year.

2. In addition to the remuneration rates shown at (1) above, there shall be paid the following rates:

Vice Chairperson of the Board

\$160 per meeting when acting as Chairperson

of the Board

Committee Chairperson (Standing, Select, Advisory, Public Hearing or Public Information Meeting) \$110 per meeting chaired

Committee Vice Chairperson \$85 per meeting chaired (has the same meaning as

Committee Chairperson)

Alternate Director \$80 per meeting when attending in the regular

Director's place

Select Committees \$70 per meeting attended
Scheduled Standing Committees \$70 per meeting attended
Advisory Standing Committees \$70 per meeting attended
Public Hearings \$70 per meeting attended
Public Information Meeting \$70 per meeting attended

Other meetings \$70 per meeting for Directors appointed by the

Board or the Chairperson to represent the Regional District at other Regional District

business meetings

(a) Where a Committee meeting, Public Hearing, Public Information meeting or Other Business meeting, exceeds half a day or four hours in length, the per diem shall be \$110.

- (b) The Chair and/or a Director designated by the Chair shall receive a meeting per diem of \$110 when attending meetings with senior levels of government or when representing the Regional District at locations outside of the Regional District unless otherwise remunerated as a representative of another organization attending the meeting.
- (c) Meeting per diems shall be paid for sub-committee work only where the committee appointment is to an organization constituted under Provincial legislation or is directly related to the Regional District's service responsibilities.
- 3. The rates above shall be reviewed by a Committee appointed by the Board in the year of Local Government elections and any changes shall be effective from the pay period following the December inaugural Board meeting of that year.

REGIONAL DISTRICT OF NANAIMO

BYLAW NO. 1317.04

A BYLAW TO AMEND THE SUPPLEMENTAL REMUNERATION RATES FOR ELECTORAL AREA DIRECTORS

WHEREAS the Board of the Regional District of Nanaimo by bylaw, cited as "Regional District of Nanaimo Board Remuneration and Expenses (Electoral Areas Only) Bylaw No. 1317, 2002", and subsequent amendments thereto, provided for the remuneration rates and reimbursement of expenses incurred by Electoral Area Directors;

AND WHEREAS the Board of the Regional District of Nanaimo wishes to amend the bylaw on the recommendations of the 2014 Board Remuneration Review Committee;

AND WHEREAS the Board of the Regional District of Nanaimo wishes to introduce housekeeping amendments;

NOW THEREFORE the Board of the Regional District of Nanaimo, in open meeting assembled, enacts as follows:

1. Citation

This bylaw may be cited as "Regional District of Nanaimo Board Remuneration and Expenses (Electoral Areas Only) Amendment Bylaw No. 1317.04, 2014".

2. Amendments

"Regional District of Nanaimo Board Remuneration and Expenses (Electoral Areas Only) Bylaw No. 1317, 2002" is amended as follows:

- (1) By deleting Schedule 'A' and replacing it with Schedule 'A' attached to and forming part of this bylaw.
- (2) By amending the job titles in section 6 as follows:
 - (a) replace "General Manager, Finance & Information Services" with "Manager of Accounting Services"; and
 - (b) replace "Manager of Financial Services" with "Treasurer".

MEMORANDUM

TO:

Paul Thorkelsson

DATE:

September 9, 2014

Chief Administrative Officer

FROM:

Joan Harrison

Director of Corporate Services

SUBJECT:

Amendment to Officers Appointment and Delegation Bylaw No. 1661

PURPOSE

To present an amendment to "Regional District of Nanaimo Officers Appointment and Delegation Bylaw No. 1661, 2012" for the Board's consideration.

BACKGROUND

The Regional District of Nanaimo (RDN) Board adopted "Regional District of Nanaimo Officers Appointment and Delegation Bylaw No. 1661, 2012" in May of 2012 to replace an earlier version from 2006. At that time, titles were updated to reflect the current departmental structure. The General Manager of Strategic and Community Development was also assigned the role of Deputy Chief Administrative Officer with the other General Managers taking that role only in the absence of both the Chief Administrative Officer (CAO) and the General Manager of Strategic and Community Development. This does not reflect the current practice of appointing a Deputy CAO only during the absence of the CAO and from amongst all General Managers and Directors at the discretion of the CAO. Staff recommend amending the bylaw in this regard.

Staff also suggest that the reference to Deputy appointments for the Corporate Officer and the Financial Officer be amended to reference the statutory duties under the legislation rather than stating the titles of the Manager of Administrative Services and the Director of Finance. It is important to note that, in accordance with the *Interpretation Act*, the Deputy Corporate Officer and the Deputy Financial Officers can act in that capacity whether the Corporate Officer or Financial Officer are absent or not. This would not necessarily extend to the additional duties held by the Manager and Director. An amendment in this regard would allow for greater flexibility in assigning an individual to act in the Manager or Director's absence.

Section 9 of the current bylaw references the Regional District's "Authorization to Purchase and Pay Accounts Policy" and specifies "as adopted by the Board on the 13th day of July, 1999" This policy has since been amended and as such, staff recommend deleting reference to the date of adoption to ensure reference to the most current version of the policy.

A draft amending bylaw has been prepared for the Board's consideration and is attached to this report as Attachment 1.

ALTERNATIVES

- 1. To not amend Bylaw No. 1661.
- 2. To amend Section 4 Deputy Positions to reflect current practice and to clarify the delegation of the statutory positions of Corporate Officer and Financial Officer and to delete the specific date reference for the "Authorization to Purchase and Pay Accounts Policy".

FINANCIAL IMPLICATIONS

There are no financial implications.

STRATEGIC PLAN IMPLICATIONS

There are no Strategic Plan Implications.

SUMMARY / CONCLUSIONS

Regional District of Nanaimo Officers Appointment and Delegation Bylaw No. 1661 does not reflect current practice of appointing a Deputy CAO from amongst the General Managers and Directors during the absence of the CAO. Bylaw No. 1661 delegates the Manager of Administrative Services and the Director of Finance positions to their deputies in their entirety rather than delegating just the statutory components of their positions as stated in the *Local Government Act*. The proposed amending bylaw will allow for greater flexibility in appointing the Deputy CAO, the Acting Manager of Administrative Services and the Acting Director of Finance as required. The amending bylaw also deletes the specific date of adoption of the Authorization to Purchase and Pay Accounts Policy to ensure that the most current policy is referenced.

RECOMMENDATIONS

- 1. That "Regional District of Nanaimo Officers Appointment and Delegation Amendment Bylaw No. 1661.01, 2014" be introduced and read three times.
- 2. That "Regional District of Nanaimo Officers Appointment and Delegation Amendment Bylaw No. 1661.01, 2014" be adopted.

Report Writer

C.A/O. Concul

Attachment 1

REGIONAL DISTRICT OF NANAIMO

BYLAW NO. 1661.01

A BYLAW TO AMEND REGIONAL DISTRICT OF NANAIMO OFFICERS APPOINTMENT AND DELEGATION BYLAW

WHEREAS the Regional District of Nanaimo wishes to amend "Regional District of Nanaimo Officers Appointment and Delegation Bylaw No. 1661, 2012";

NOW THEREFORE, the Board of the Regional District of Nanaimo, in open meeting assembled, enacts as follows:

1. Citation

This Bylaw may be cited as "Regional District of Nanaimo Officers Appointment and Delegation Amendment Bylaw No 1661.01, 2014".

2. Amendments

"Regional District of Nanaimo Officers Appointment and Delegation Bylaw No. 1661, 2012" is amended as follows:

1. By adding the following under Section 2. Definitions:

"Chair" means the Chair of the Board of the Regional District of Nanaimo.

2. By deleting Section 4. in its entirety and replacing it with the following:

4. DEPUTY POSITIONS

- (1) The following persons are appointed as Deputy Chief Administrative Officer: the General Manager of Recreation and Parks, the General Manager of Regional and Community Utilities, the General Manager of Strategic and Community Development, the General Manager of Transportation and Solid Waste, the Director of Corporate Services and the Director of Finance.
- (2) The persons appointed under subsection (1) may only exercise the authority as Deputy Chief Administrative Officer in the absence of the Chief Administrative Officer and as designated by the Chief Administrative Officer or the Chair. (For the purpose of this section, absence is defined as being absent from the Regional District of Nanaimo Administration Office in the event of illness, incapacity, annual vacation or other similar reasons.)
- (3) The Legislative Coordinator is appointed as the deputy for the purposes of s. 198 of the *Local Government Act*;

- (4) The Manager of Accounting Services and the Senior Accountant are appointed as the deputy for the purposes of s. 199 of the *Local Government Act*;
- (5) A delegation of a power, duty or function under this bylaw includes a delegation to a person who is from time to time the deputy of the delegate.
- 3. By amending Section 9(1) to delete the words "adopted by the Board on the 13^{th} day of July, 1999" and replace them with "as adopted by the Board."

Introduced and rea	ad three times this d	lay of	_, 2014.
Adopted this	_ day of	, 2014.

MEMORANDUM

August 28, 2014

TO:

Wendy Idema

Director of Finance

FROM: M

Manvir Manhas

Senior Accountant

SUBJECT: Operating Results for the Period Ending June 30, 2014

PURPOSE:

To present a summary of the operating results for the period ending June 30, 2014.

BACKGROUND:

The Regional Board reviews quarterly financial progress statements in order to identify both positive and negative budget trends as they occur. This report provides information on the operating results for the period January 1 to June 30, 2014.

The year-to-date statements are prepared primarily on a cash paid/received or invoiced basis. Exceptions are property taxes and debt payments, which are recorded or accrued at 1/12 of the annual amount each month and the prior year surpluses (deficits), which are recorded in full at the beginning of the year.

Assuming an even distribution of revenues and expenses throughout the year, the current financial performance benchmark would be approximately 50% versus budget. Where significant variances have been observed staff have provided comments in the individual sections below.

Attached as appendices to this report are the following:

Appendix 1 Overall Summary by Division

Appendix 2 Summary of Total Revenues/Total Expenditures by Department

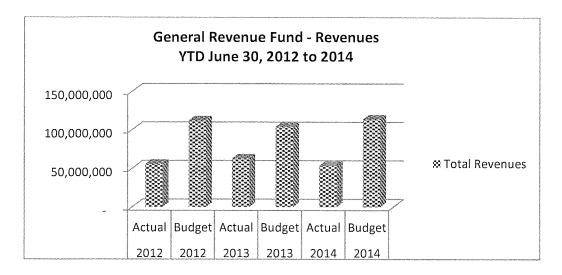

Overall Summary by Division (Appendix 1)

This appendix provides an overview of the year to date results at an organizational level.

Revenues

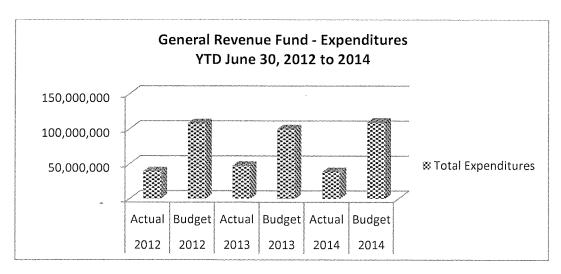

Total revenues are at 47% of budget with property tax revenues at the expected 50%. Grant Revenues are at 29% and Other Revenues at 27% (includes transfers from reserves for capital projects) mainly due to timing of large projects. Capital projects use a drawdown accounting approach where revenues are recorded as project expenses are incurred.

Operating revenues are at 54% of the budget as they reflect the first utility services billings which occur at the end of May but do not include the impact of the summer water billing which will show in October. The charts below show the 3 year trend for revenues and expenses at June 30. The higher trend in 2013 is due to the borrowing and flow through transfer to the Vancouver Island Regional Library (VIRL) which was approved after the budget was completed.

Expenditures

Overall 2014 expenditures are at 35% of budget. Comparative amounts in 2013 were higher due to the flow through VIRL transaction. With the impact of this transaction removed overall expenditures in 2013 would be 39% which is consistent with 2014. Expenditure items noticeably under budget include Community Grants (4%), Professional fees (18%), Program Costs (22%) and Capital Expenditures (9%). The Community Grants budget includes the transfer to the Island Corridor Foundation for \$472,000 which will only occur later in the year when the agreement requirements are confirmed. Capital Expenditures and Professional fees are directly related to the timing of payments for projects which incur more costs in summer and fall. Similarly Program Costs will be more fully allocated during the summer and fall, eg, Green Building Program and Drinking Water Program rebates. Transfers to Reserve (14%) are completed and recorded in August every year with only specific transfers made earlier in the year. Wages & Benefits are at the expected 51%. Further details are provided below under Operating Results by Department.

Summary of Operating Results by Department (Appendix 2)

This appendix lists the total year to date revenues and expenditures for services within each organizational division. This listing illustrates at a glance the overall status of an individual service as at June 30 compared to the overall budget for that service.

Corporate Services

The Corporate Services division of Appendix 2 is slightly lower than budget with revenues at 48% and expenditures at 44%. This is due largely to the Fire Protection Service Areas as well as the fact that debt financing costs incurred on behalf of VIRL are recorded evenly over the year while the income from rebilling VIRL for these costs occurs in March, April, September and October each year.

Under Fire Services, the French Creek (57% revenue/0% expenditures) and Parksville Local Service (San Pareil) (71% revenue/0% expenditures) have service contracts with Parksville and Qualicum where the contract payments are transferred to their Fire Departments in August after the tax revenues are received from the province. As well, for departments such as Extension (22%), Nanaimo River (5%) and Bow Horn Bay (29%), their expenditures will increase when the reserve transfer occurs in August.

Wellington Fire Service (103% of expenditures) and the District 69 E911 Service (100% of expenditures) reflect that the transfers to the City of Nanaimo and to the North Island 911 Corporation have already been made per our agreements with them.

Development Services

The Development Services division of Appendix 2 shows year to date total revenues at 61% and expenditures at 47%. The service areas showing variances in revenue and expenditures are as follows:

- Economic Development South (50% revenue/100% expenditures) reflects that the transfer of funds to the Nanaimo Economic Development Corporation has occurred.
- Economic Development North (51% revenue/31% expenditures) shows a variance in expenses because fewer grants have been approved and disbursed to date than what the budget would indicate.
- Emergency Planning (37% revenue/33% expenditures) reflects outstanding grant revenues that have been claimed but not received. For expenditures, it reflects the timing of the transfer to reserve which will occur in August.
- Search & Rescue (51% revenue/29% expenditures) reflects the timing of the transfer to the Nanaimo Search & Rescue and Nanaimo Marine Search and Rescue groups which occurs in August.

Regional and Community Utilities

The Regional and Community Utilities division of Appendix 2 shows year to date total revenues at 39% and expenditures at 24%. The service areas with variances at June 30 are as follows:

 Wastewater Management Plan (41% revenues/14% expenditures) reflects Gas Tax Grant funds not yet received for the Rural Village Sewer Servicing project (\$350,000) as well as unspent program costs associated with this project.

- Southern Community Wastewater (26% revenue/18% expenditures), Northern Community Wastewater (53% revenue/22% expenditures), Duke Point Wastewater (69% revenue/33% expenditures), and Nanoose Wastewater/Fairwinds Sewer (69% revenue/23% expenditures) are a result of the timing of capital projects where revenues will be accrued as the expenses are incurred as well as timing for transfers to reserves.
- Under the Water Supply service areas, several water services show lower than budget expenditures such as Whiskey Creek (34%), French Creek (32%), Decourcey (23%), Englishman River (25%), Melrose Terrace (31%) and Nanoose Peninsula (24%). These also reflect the timing of capital projects and transfers to reserves which occur in Summer.
- The Nanoose Bay Bulk Water (34% revenue/10% expenditures) budget includes transfers to the Englishman River Water Service Joint Venture capital work for \$636,380 funded by DCC's and reserves which have not been completed.
- In general the revenues for water and sewer services reflect the fact that the first utility billing for the year occurs in May. The second billing occurs in September and will include the higher use Summer season. As well, as noted above, the transfers to reserves for these services will occur in August which will impact the expenditures.

Recreation and Parks Services

The Recreation and Parks division of Appendix 2 shows year to date total revenues at 52% and expenditures at 39%. The service areas with variances at June 30 are as follows:

- Regional Parks (51% revenue/26% expenditures) and all of the Community Parks Service areas
 have projects and reserve transfers where the timing is impacting revenues and expenditures.
 This is particularly noticeable in Area E (37% revenue/27% expenditures), Area F (42%
 revenue/27% expenditures) and Area G (47%revenue/29% expense) which have capital projects
 underway (Blueback Park, Dashwood Hall and Meadowood Park Projects) funded by both grants
 and reserve transfers.
- Gabriola Island Recreation expenditures (78%) are high because transfers to the Gabriola Recreation Society are done in two installments (January & June) during the year.
- Area A Recreation & Culture (58% revenue/10% expenditures) also reflects unspent capital
 funds related to renovations at the Cedar Heritage Centre as well as reserve funds transfers to
 occur in August.
- Southern Community Recreation at 2% and the Port Theatre at 0% for expenditures reflect that the transfers of funds to the recipients for these services are made in August.

Transportation and Solid Waste Services

The Transportation and Solid Waste division of Appendix 2 shows year to date total revenues at 49% and expenditures at 37%. The service areas with variances at June 30 are as follows:

• Southern Community Transit (45% revenue/37% expense) is largely on track for operating revenue and expenses. The \$2 million CNG fueling station project was originally planned to be reflected fully in the RDN budget; however, the costs are being run through BC Transit resulting in a smaller allocation to RDN Transit. As well the reserve transfer will happen in August and there has been no need to access the contingency budget.

- Solid Waste Disposal (46% revenue/33% expenditures) reflects transfer to reserves (to occur in August) as well as lower capital expenditures due to timing of large projects such as the North Berm Phase 2 and new operations building and maintenance shop design costs at the Cedar landfill.
- Solid Waste Collection and Recycling is at 74% of its revenue budget vs. 41% of expenses because the annual utility billing is largely completed in May each year generating significant revenues at that time. The expenditure side will catch up later in the year as well as billings from haulers tend to lag behind a month or two.

SUMMARY:

The attached appendices reflect the operating activities of the Regional District recorded up to June 30, 2014. Appendix 1 summarizes the overall results across the organization while Appendix 2 breaks down the total year to date revenues and expenditures for functions within each organizational division. To date 47% of budgeted revenues and 35% of budgeted expenditures have been recorded.

Expenditures for professional fees (18%) and capital projects (9%) are lower overall due to the summer time commencement for many capital projects. Community Grants (4%) are lower because several of the grant transfers will occur later in the year after grant criteria requirements are completed by recipients and after funds are transferred from the province. Program Costs (22%) are low compared to budget mainly due to the fact that many program costs occur in the summer and various rebate programs are just underway. Across all services, wages and benefits are in line with expectations at 51% of the budget.

RECOMMENDATION:

That the summary report of financial results from operations to June 30, 2014 be received for information.

MEMORANDUM

TO:

Tom Osborne

DATE: August 25, 2014

General Manager, Recreation and Parks

FROM:

Elaine McCulloch

FILE: PL2010-153

Parks Planner

SUBJECT:

Request for Acceptance of Park Land Dedication

Lot 4, Block 3, Section 16, Range 8, Cranberry District, Plan 2041

Folio No. 768.03126.000 / PID No. 006-636-349

Electoral Area 'A' - 1965 Walsh Road

PURPOSE

To consider a request for acceptance of park land dedication on property in Electoral Area 'A'.

BACKGROUND

The Regional District has received an application for a subdivision of the above-noted property, which is located adjacent to Walsh Road (North) and MacMillan Road (West), in the Cedar area of Electoral Area 'A,' and is 0.8 ha (2 acres) in size (see Attachment 1 for location of subject property).

The proposed subdivision would not create three or more new parcels; therefore, no park land dedication is required pursuant to Section 941 of the *Local Government Act*. However, the applicant proposes to voluntarily dedicate 0.4 hectare (1.0 acre), approximately 50% of the parent parcel, as park land (see Attachment 2 for proposed plan of subdivision). This dedication consists of wetland located within the Nanaimo River Floodplain in the York Lake area. Accessibility through the wetland is limited by high water levels extending beyond the limits of the proposed park land dedication.

ALTERNATIVES

- 1. To accept the offer of park land dedication in the amount and location as set in Attachment 2.
- 2. To deny the offer for dedication of park land.

PARK LAND IMPLICATIONS

The Electoral Area 'A' Official Community Plan Bylaw No. 1620, 2011 contains park land policies, which stipulate that park land is desirable

• Where it would provide trail linkages or future trail linkages or the expansion of existing parks forming interconnected natural corridors. In this case, with the addition of other surrounding

parkland in the future, there may be an opportunity to develop trail linkages along York Lake that would provide a direct, off-road travel route between Cedar Village and MacMillan Road (near Cedar Secondary Community School). Additionally, there are two existing parks (A-10 & A-13) directly across Macmillan Road from the proposed parkland dedication, both of which consist almost entirely of wetland habitat. These parks may have potential for a boardwalk trail system that could link the three parks together;

- If it is an environmentally sensitive area. In this case, the proposed park is composed entirely of wetland habitat;
- Where it would provide passive outdoor use. Wetland areas typically provide excellent bird
 watching opportunities. These opportunities would be enhanced if a trail/boardwalk/bird blind
 were to be developed in the proposed park;
- Where it would provide viewpoints or opportunities for nature appreciation. The location of the proposed park, adjacent to Macmillan Road provides a significant view into the wetland and would help preserve an important open space vista within the community.

In addition to the OCP, the *Electoral Area 'A' Community Trails Study (2002)* recommends trail connections through/around York Lake as a high priority for acquisition. The study identifies York Lake as being located along a direct travel route between destinations such as residential housing, schools and the shopping centre. The study suggests that trails through this area would provide shortcuts and get foot traffic off the busy Cedar Road.

Furthermore, the Trails Study recommends that the RDN negotiate with willing landowners who have property around the lake so as to obtain a public access through the wetland and around the lake.

Area 'A' Parks, Recreation and Culture Commission

The proposal for the proposed park land dedication was referred to the Electoral Area 'A' Parks, Recreation and Culture Commission at its meeting of January 19, 2011. The Commission supports the proposed park land dedication in conjunction with the proposed subdivision.

SUMMARY/CONCLUSIONS

The applicant has proposed to voluntarily dedicate 0.4 hectare (1.0 acre), approximately 50% of the parent parcel, as park land (see Attachment 2 for proposed plan of subdivision). No park land dedication is required pursuant to Section 941 of the Local Government Act. The proposed park land dedication would accomplish many of Electoral Area 'A' the Official Community Plan parks objectives.

RECOMMENDATION

That the proposed park dedication in the proximity of York Lake be accepted in conjunction with a proposed subdivision as shown on Attachment 2.

SUBJECT: Bylaws No. 1004.07, 1445.05, and 1521.02 - Cedar and Duke Point Sewer Boundary

Amendment- 1965 Walsh Road and 1812 Cedar Road, Electoral Area 'A'

RHD SOARD

PURPOSE

To introduce bylaws which would remove one property from the Cedar and Duke Point Sewer Services, and transfer the sewer allocation to another property that is already included in the Cedar and Duke Point Sewer Service areas (see Location Plan in Figure 1).

BACKGROUND

The Cedar Sewer Service Area was adopted by the RDN Board in 2005 which permitted Cedar Village property owners with frontage to the new sanitary sewer main to acquire a sewer allocation and discharge sanitary sewer waste to the Duke Point Wastewater Treatment Plant. The number of properties permitted to be connected to the Duke Point Sewer Service is fully committed at this time, based on flow calculations. No further properties can be connected unless a property is excluded while substituting another, or if some of the flows allocated to a development property in the Cedar Village are purchased by another property owner.

The owner of 1965 Walsh Road recently purchased a second sewer allocation from a nearby property owner who has re-evaluated his need for a sewer connection. Being mutually beneficial, one property owner will utilize the second sewer service to pursue subdivision of his property, and the other property owner is seeking to be removed from the sewer service. The owners have requested that the RDN amend the Cedar and Duke Point Sewer Service Area boundaries so that the owner of 1965 Walsh Road pays for two sewer services, and the owner of 1812 Cedar Road no longer pays taxes for sewer. Neither property is connected to the sanitary sewer system yet. In order to accommodate this request, the RDN must amend the following bylaws:

- Bylaw 1004 Duke Point Sewer Service
- Bylaw 1445 Cedar Sewer Service
- Bylaw 1521 Cedar Sewer Small Residential Properties Capital Financing Service

ALTERNATIVES

- 1. Accept the application and adopt the bylaw amendments as presented.
- 2. Do not accept the application or adopt bylaw amendments at this time.

File: 5500-20-CDR-01 Date: August 19, 2014 Page: 2

FINANCIAL IMPLICATIONS

If the bylaw amendments are approved, the owner of 1965 Walsh Road (who purchased a second sewer allocation) will pay 2 parcel taxes for the debt repayment from construction of the sewer system, pursuant to Bylaw No. 1521 (2007), in the amount of approx. \$1,100 per year (for each lot). He will also pay 2 parcel taxes for the annual operating costs of the Cedar Sewer system, pursuant to Bylaw No. 1445 (2005) in the amount of approx. \$540 per year (for each lot).

When the owner of 1965 Walsh Road makes a physical connection to the Cedar Sewer system, he will pay a Capital Charge of \$2,682 for the 'parent' lot pursuant to Bylaw No. 1528 (2007), and upon subdivision will pay a Development Cost Charge of \$2,246 for the newly created lot pursuant to Bylaw No. 1498 (2007). Annual costs for being connected to sewer will be approximately \$700 per year (for each lot), pursuant to Bylaw No. 1532 (2007).

The owner of 1812 Cedar Road has never connected to the Cedar sewer system, so a Capital Charge has not been paid (and is therefore not to be refunded), nor is the owner liable for annual user fees. When 1812 Cedar Road is removed from the Cedar Sewer Service, this owner will no longer pay Cedar sewer parcel taxes and will remain on a septic field.

If the application is not accepted, there are no financial implications to the RDN. Both property owners will continue to pay parcel taxes for sewer even though they are not connected to sewer.

SUSTAINABILITY IMPLICATIONS

There will be a net positive improvement to the environment from the impact of sewage disposal at 1965 Walsh Road. The existing house and the proposed new lot would both be serviced with community sewer collection. Septic tank treatment and ground disposal will no longer be used at this location, which is adjacent to a sensitive ecosystem feature.

The owner of 1812 Cedar Road has confirmed that his septic tank and septic field disposal system are working well. The previous owner of this property purchased a sewer allocation when they became available in 2010, and the current owner has confirmed that his septic field will continue to meet his needs for many years.

DEVELOPMENT IMPLICATIONS

The property located at 1965 Walsh Road is approximately 2 acres (8,000 m²) in size, is zoned RS-2 (Residential 2), and is located within the "M" Subdivision District pursuant to *Regional District of Nanaimo Land Use and Subdivision Bylaw No. 500, 1987*. The "M" Subdivision District provides a minimum parcel size of 2000 m² when the property is serviced with community water and sewer. Therefore, if provided with a community sewer connection, the subject property could be subdivided into additional lots under the current zoning.

Pursuant to the Electoral Area 'A' Official Community Plan (Bylaw No. 1620, 2011), the property located at 1965 Walsh Road is located *within* the Growth Containment Boundary, where development is supported.

File: 5500-20-CDR-01
Date: August 19, 2014
Page: 3

SUMMARY/CONCLUSIONS

Two property owners in the Cedar Village Area have requested that the RDN remove one property from the Cedar and Duke Point Sewer Service, and transfer the sewer allocation to another property that is already within the Cedar and Duke Point Sewer Service. One property will be able to subdivide into two serviced lots if a second sewer allocation is secured, and the other property will be relieved of paying taxes for sewer service that he does not require. There are no financial implications to the RDN for changing the sewer service from one property to another within the Cedar Village area. There will be no net impact on the number of connections permitted to the Duke Point Sewer Service. Staff recommend adopting the bylaws as presented.

RECOMMENDATIONS

- 1. That "Duke Point Sewer Service Amendment Bylaw No. 1004.07, 2014" be introduced and read three times.
- 2. That "Cedar Sewer Service Amendment Bylaw No. 1445.05, 2014" be introduced and read three times.
- 3. That "Cedar Sewer Small Residential Properties Capital Financing Service Amendment Bylaw No. 1521.02, 2014" be introduced and read three times.

REGIONAL DISTRICT OF NANAIMO BYLAW NO. 1004.07

A BYLAW TO AMEND THE BOUNDARIES OF THE DUKE POINT SEWER SERVICE

WHEREAS the Regional District of Nanaimo established the Duke Point Sewer Service pursuant to Bylaw No. 1004, cited as "Duke Point Sewer Local Service Area Establishment Bylaw No. 1004, 1996";

AND WHEREAS the Board of the Regional District of Nanaimo has been requested by two property owners to amend the boundaries of the service area to exclude the land legally described as:

• Lot 1, Section 14, Range 1, Plan 19367, Cedar Land District (Folio No. 768.3090.500);

AND WHEREAS at least 2/3 of the service participants have consented to the adoption of this bylaw in accordance with section 802 of the *Local Government Act*:

NOW THEREFORE the Board of the Regional District of Nanaimo, in open meeting assembled, enacts as follows:

1. Amendment

"Duke Point Sewer Local Service Area Establishment Bylaw No. 1004, 2005" is hereby amended as follows:

- (a) By deleting Schedule 'A' of Bylaw 1004 and replacing it with the new Schedule 'A' attached to this bylaw; and
- (c) By deleting Schedule 'B' of Bylaw 1004 and replacing it with the new Schedule 'B' attached to this bylaw.

2. Citation

This bylaw may be cited for all purposes as "I 1004.07, 2014".	Duke Point Sewer Service Amendment Bylaw No.
Introduced and read three times thisday of	, 2014.
Adopted this day of, 2014.

REGIONAL DISTRICT OF NANAIMO BYLAW NO. 1445.05

A BYLAW TO AMEND THE BOUNDARIES OF THE CEDAR SEWER SERVICE

WHEREAS the Regional District of Nanaimo established the Cedar Sewer Service pursuant to Bylaw No. 1445, cited as "Cedar Sewer Service Area Establishment Bylaw No. 1445, 2005";

AND WHEREAS the Board of the Regional District of Nanaimo has been requested by two property owners to amend the boundaries of the service area to exclude the land legally described as:

Lot 1, Section 14, Range 1, Plan 19367, Cedar Land District (Folio No. 768.3090.500);

AND WHEREAS at least 2/3 of the service participants have consented to the adoption of this bylaw in accordance with section 802 of the *Local Government Act*;

NOW THEREFORE the Board of the Regional District of Nanaimo, in open meeting assembled, enacts as follows:

1. Amendment

"Cedar Sewer Service Area Establishment Bylaw No. 1445, 2005" is hereby amended as follows:

- (a) By deleting Schedule 'A' of Bylaw 1445 and replacing it with the new Schedule 'A' attached to this bylaw; and
- (b) By deleting Schedule 'B' of Bylaw 1445 and replacing it with the new Schedule 'B' attached to this bylaw.

REGIONAL DISTRICT OF NANAIMO

BYLAW NO. 1521.02

A BYLAW TO AMEND THE BOUNDARIES OF THE CEDAR SEWER SMALL RESIDENTIAL PROPERTIES CAPITAL FINANCING SERVICE

WHEREAS the Regional District of Nanaimo established the Cedar Sewer Small Residential Properties Capital Financing Service pursuant to Bylaw No. 1521, cited as "Cedar Sewer Small Residential Properties Capital Financing Service Establishment Bylaw No. 1521, 2007";

AND WHEREAS the Board of the Regional District of Nanaimo has been requested by two property owners to amend the boundaries of the service area to exclude the land legally described as:

• Lot 1, Section 14, Range 1, Plan 19367, Cedar Land District (Folio No. 768.3090.500);

AND WHEREAS at least 2/3 of the service participants have consented to the adoption of this bylaw in accordance with section 802 of the *Local Government Act*;

NOW THEREFORE the Board of the Regional District of Nanaimo, in open meeting assembled, enacts as follows:

1. Amendment

"Cedar Sewer Small Residential Properties Capital Financing Service Establishment Bylaw No. 1521, 2007" is hereby amended as follows:

- (a) By deleting Schedule 'A' of Bylaw 1521 and replacing it with the new Schedule 'A' attached to this bylaw; and
- (b) By deleting Schedule 'B' of Bylaw 1521 and replacing it with the new Schedule 'B' attached to this bylaw.

MEMORANDUM

TO:

Tom Armet, Manager

DATE:

August 29, 2014

Building, Bylaw & Emergency Planning Services

CE2014000086

FROM:

Brian Brack

Bylaw Enforcement Officer

FILE:

SUBJECT:

1673 Gerrand Road - Electoral Area 'A' - Unsightly Premises

PURPOSE

To obtain Board direction regarding an ongoing property maintenance contravention on the subject property.

BACKGROUND

Property:

1673 Gerrand Road, Electoral Area 'A'

Legal Description:

Lot 2, Section 16, Range 8, Cranberry District, Plan 11970

Property Owner:

Daniel H. Moore

The subject property is located in a residential neighbourhood in Cedar, in an area of neat, well maintained properties. In April 2014, several complaints were received concerning the unsightly condition of the property. Staff conducted an inspection of the property and confirmed there was a large accumulation of disused, discarded materials, derelict vehicles, boats, recreational vehicles, scrap metal, automotive parts, scrap wood and refuse contrary to Regional District of Nanaimo regulations. (See attached photos).

On April 25, 2014, Staff issued a written Order to clean up the property. Staff conducted several inspections and observed that no work had been done to clean up the property.

On May 26, 2014, a second written Order was sent to the property owner, again without response or clean upbeing done. Regional District Staff continued to receive complaints from area residents about the condition of the property.

On August 1st, 2014, Staff inspected the property and spoke with the property owner who advised that he has no intention of cleaning up the property as it is in foreclosure.

It is apparent, based on the history of the previously described events, that the owner will not clean up the property and that Board direction is necessary to bring the property into compliance with Regional District regulations.

ALTERNATIVES

- 1. That the owner be directed to bring the property into compliance with Regional District of Nanaimo regulations.
- 2. That no further action be taken with respect to the condition of the subject property.

FINANCIAL IMPLICATIONS

If the Board adopts a resolution to have the identified discarded and disused material removed from the property, any costs incurred by the Regional District of Nanaimo or its agents with respect to the removal may be recovered from the property owner. If unpaid on December 31st in the year in which the work is done, the expense may be added to taxes in arrears or be collected as a debt.

CONCLUSION

Regional District Staff has received numerous complaints concerning the substantial and unsightly accumulation of disused, discarded materials and refuse, unlicensed derelict vehicles, boats, recreational vehicles, scrap metal, automotive parts, scrap wood and refuse on the subject property. Despite being given a considerable amount of time, the property owner has demonstrated an unwillingness or inability to comply with the provisions of the Unsightly Premises bylaw or to maintain the property to a reasonable standard as compared to surrounding properties. Board direction appears to be the only remaining option available to bring this property into compliance with Regional District of Nanaimo regulations.

RECOMMENDATION

That the Board, pursuant to *Unsightly Premises Regulatory Bylaw No. 1073, 1996*, directs the owner of Lot 2, Section 16, Range 8, Cranberry District, Plan 11970, (1673 Gerrand Road), to remove the accumulation of disused, discarded materials and refuse, unlicensed derelict vehicles, boats, recreational vehicles, scrap metal, automotive parts, scrap wood and refuse from the property within thirty (30) days, or the work will be undertaken by the Regional District of Nanaimo or its agents at the owner's cost.

MEMORANDUM

TO:

Tom Armet, Manager

DATE:

August 29, 2014

Building, Bylaw & Emergency Planning Services

FROM:

Brian Brack

FILE:

CE2014000083

Bylaw Enforcement Officer

SUBJECT:

1016 Harrison Way - Electoral Area 'B' - Unsightly Premises

PURPOSE

To obtain Board direction regarding an ongoing property maintenance contravention on the subject property.

BACKGROUND

Property:

1016 Harrison Way, Electoral Area 'B'

Legal Description:

Lot 35, Section 12, Gabriola Island, Nanaimo District, Plan 23619

Property Owner:

Leslie A. Lavilla 1016 Harrison Way, RR#2, Gabriola Island, BC VOR 1X2

The subject property is located in a rural residential neighbourhood on the Northwestern tip of Gabriola Island, in an area of well maintained properties. In mid-April 2014 a complaint was received that the subject property was in an unsightly and unsafe condition. Staff conducted an inspection and confirmed the property contained an accumulation of discarded and disused wood waste, miscellaneous debris, scrap metal, old bikes, building materials, plastic and several unsafe structures contrary to Regional District of Nanaimo regulations. (see photos attached). The owner was advised of the regulations affecting the use of the property and was directed to clean it up and cease using the structures, which were built without permits.

The following action was undertaken to gain the property owner's voluntary compliance:

May 26th, 2014 - Staff issued a written Order to clean up the property.

June 10th, 2014 - Staff conducted a further inspection and met with the property owner. Due to immediate safety concerns with regards to the quality of construction of an occupied structure, a "Do Not Occupy" Order was posted on the structure. The owner, spouse and two adolescent sons use the structure as a living area. There is no power, water or sewage disposal system on the property. Electrical cords suppy power from a neighbor and an outdoor composting toilet is located on a steep bank at the rear of the property.

June 18th, 2014 - a second written Order was issued to clean up the property and remove the temporary structures.

July 7th, 2014 – Staff inspected the property and noted that no progress had been made.

July 24th, 2014 - a further inspection was done. The main structure continued to be occupied by the owner, spouse and children. Work was continuing on the structure without a permit and in contravention of the "Do Not Occupy" Order previously issued. Staff once again ordered all use and work on the building to cease.

July 29th, 2014 - Staff returned to the property and had a lengthy discussion with the property owner and her spouse about the situation. As further work had been done on the structures, a "Stop Work" Order was issued and posted on the property.

August 19th, 2014 - another inspection was done and it was noted that the main structure continued to be in use by the adults and children despite previous Orders to cease using it. Only a minimal amount of clean up had been done. As it was apparent that the owner/occupants were unable or unwilling to do so on their own, Staff made arrangements with a local service club to assist with the clean up of the property for minimal cost. The property owner declined the offer of assistance.

ALTERNATIVES

- 1. That the owner be directed to bring the property into compliance with Regional District of Nanaimo regulations.
- 2. That no further action be taken with respect to the condition of the subject property.

FINANCIAL IMPLICATIONS

If the Board adopts a resolution to have the identified material removed from the property, any costs incurred by the Regional District of Nanaimo or its agents with respect to the removal may be recovered from the property owner. If unpaid on December 31st in the year in which the work is done, the expense may be added to taxes in arrears or be collected as a debt.

CONCLUSION

Regional District Staff received numerous complaints concerning the substantial and unsightly accumulation of discarded and disused wood waste, miscellaneous debris, scrap metal, old bikes, building materials, plastic and numerous unsafe, occupied structures on the subject property. Despite direction from Staff and offers of assistance from the community, the property owner has demonstrated an unwillingness or inability to comply with the provisions of the Unsightly Premises bylaw or to maintain the property to a reasonable standard as compared to surrounding properties. Board direction appears to be the only remaining option available to bring this property into compliance with Regional District of Nanaimo regulations.

RECOMMENDATION

That the Board, pursuant to *Unsightly Premises Regulatory Bylaw No. 1073, 1996*, directs the owner of Lot 35, Section 12, Gabriola Island, Nanaimo District, Plan 23619, (1016 Harrison Way), to remove the accumulation of discarded and disused wood waste, miscellaneous debris, scrap metal, old bikes, building materials, plastic and several structures from the property within thirty (30) days, or the work will be undertaken by the Regional District of Nanaimo or its agents at the owner's cost.

W. Idema Regional District of Nanaimo

F. Manson City of Parksville

B. Weir Town of Qualicum Beach

CALL TO ORDER

Chair Stanhope called the meeting to order at 10:00 AM.

DELEGATIONS

MINUTES

BUSINESS ARISING FROM THE MINUTES

COMMUNICATIONS/CORRESPONDENCE

REPORTS

Update on Community Input and Survey Results (M. Squire)

M. Squire discussed the public engagement process and survey results. Some of the project key points included the need to be publicly acceptable, affordable, simple to operate, robust and sustainable. The use of the internet engaged public discussions and the survey was done to get community input and involvement in this project. The project also involved a community working group that includes various stakeholders, resident associations and major stakeholders including Nanoose First Nations. A lot of good feedback was received from the various groups and individuals.

M. Squire reviewed some of the responses that were received from the studies within the community. 93% of the community is committed to reducing water. There was support for enhanced water conservation efforts to defer future expansion phases past 2025. The biggest input was to pursue other options like grey water use within new buildings or retro fit existing buildings and to reduce amount of water used to irrigate public green spaces. Also, messaging to tourists and visitors that they can reduce water was identified.

The treatment technology brought forward many responses with the emphasis on minimal use of chemicals and lowering operational costs. Nano filtration versus membrane filtration was discussed and it was determined that nano filtration costs were higher. If that technology does become cheaper in the future it would be allowed for in future expansion. There was general support for the facility to have public meeting areas to educate the public and host operation courses that could generate revenue.

Once all this information is gathered from the public and the reports are received from engineering consultants, we will proceed with the detailed design. At 30% of the detailed design an extensive value engineering exercise will be carried out August or September of this year.

MOVED Director Lefebvre, SECONDED Director Holme that the report on Community Input and Survey Results be received.

CARRIED

Report on Consent on Capital Cost Allocations for the New Water Intake, Treatment Plant, Supply Mains and Aquifer Storage and Recovery Wells (M. Squire)

M. Squire reviewed the executive summary which included details on the public referendum and what is required in regards to bylaws and approvals prior to the referendum. The report included estimated costs for the river intake, treatment plant, site works, operation building and annual operating and maintenance costs along with each jurisdictions' cost allocation.

MOVED Director Lefebvre, SECONDED Director Holme that the Englishman River Water Service Management Board adopt the capital cost allocations for the new water intake, water treatment plant,

Page 3

transmission mains and aquifer storage and recovery wells as shown in Appendix A entitled ERWS Project Cost Allocations, dated June 24, 2014.

CARRIED

BUSINESS ARISING FROM DELEGATIONS OR COMMUNICATIONS

NEW BUSINESS

OTHER

The Chair opened the floor to questions from the audience.

Elaine Hofer, Parksville, BC

E. Hofer asked if there was an agreement that turned the bulk water service into a regional water service? Ms. Hofer also commented that if Aquifer Storage & Recovery (ASR) is going to be situated in Nanoose it should be paid for by Nanoose residents and questioned who decided how residents should pay for storage.

M. Squire explained that water supply infrastructure has been added onto over the years and is not effectively suited to the supply of bulk water. The purpose of the ERWS is to convey water supply from the bulk river water supply to the communities of City of Parksville and Nanoose region. It has always been envisioned that each region would pay for their own infrastructure benefiting each communities system.

ASR could potentially play a major role in water supply strategy for the region. There have been numerous discussions on how it could benefit each community. ASR can store water and when we have the abundance of water it can be stored during the winter and save it for the summer. ASR allows for stored water to supply any emergency purposes for both communities.

E. Hofer questioned if rather than ASR would it not be desirable to take into account water from the Parksville wells.

M. Squire replied that yields from both the RDN and Parksville ground water wells are not enough to sustain summer demands. There are also concerns with quality and quantity with the wells. Studies have been done on both the Parksville and Errington aquifer water which indicate there is insufficient recharge to meet demand.

C. Burger commented that when the original bulk water system was proposed it was to augment the ground water supplies. There is no question that wells are stressed and there is growth around our well fields including agriculture demands.

Al Pasters, Parksville, BC

- A. Pasters commented that we should ask for an extension on the deadline. The operating costs are going to be extremely high and will mean higher water rates in Parksville. Mr. Pasters also enquired if a peer review of the overall plan had taken place and if so what were the results.
- M. Squire replied that there was an extensive peer review done by GSI Innovations out of Oregon.
- M. Lefebvre commented that the costs of water and delivery will cause our rates to go up. Water has been under-valued for a long time and we are still using an above average amount of consumption. If we want a reliable resource of potable water it will cost us more.
- C. Burger commented that there will be a report coming forward to the next meeting of council which outlines what costs will be and the implications for the upcoming referendum in November.
- A. Pasters questioned why the Craig Bay pump station is being replaced in 2018 and why can it be being deferred until 2035 if the ASR is ok at the Claudet field? Is there anything wrong with the pump at Craig Bay?
- M. Donnelly replied that there is nothing wrong but it is undersized for future use. A new pump station would offer additional pumps for back up purposes. If we have the ASR capable within the Claudet area within Nanoose it can provide an additional benefit and postpone the need for the pump station until 2035.
- A. Pasters also questioned why do we need to have the mezzanine floor, meeting rooms and viewing rooms in the water treatment plant? If we're going to provide an education component maybe the Department of Education should kick in to help with funding.
- J. Stanhope commented that it won't just be the students going into the treatment plant, the whole population need to understand the water system. The fisheries component, which benefits all of us, is outstanding as a result of the Arrowsmith dam.

Paul Reitsma, Parksville, BC

P. Reitsma commented that the referendum be postponed until grant funding was established

Bill Newfield, Parksville, BC

- B. Newfield questioned what is Plan B if Claudet well isn't successful? What if the ASR well doesn't work, are we going to build a silo or a storage pond?
- M. Squire replied that Plan B is to build the Craig bay pump station during the peak summer demand which would provide sufficient water supply to Nanoose.

Robert Hurst, Parksville, BC

R. Hurst commented on human population, sustainability, consumption and considering limiting growth. Why cut the water consumption in half if we allow the population to increase?

ERWS Management Board Meeting Minutes June 24, 2014

Page 5

C. Burger replied that discussions, in regards to a bulk water supply has been going on for a long time, and have recognized the need to have a reliable water supply in place for next generation. Surface water supplies will provide our community with half of our future needs so relying on groundwater is not realistic

M. Lefebvre commented about the lack of use of grey water and that we should do more in the future. We need to discuss water catchment systems and how it could take a big load off of our water consumption now.

NEXT MEETING will be at the discretion of staff.

ADJOURNMENT

The meeting was adjourned at 11:35 AM.

MOVED Director Holme, SECONDED Director Lefebvre that the meeting be adjourned.

CARRIED

J. Stanhope, CHAIRPERSON
