PRESENTATION

SWMP Consultation Update.

M. Larson updated the Committee on the Stage 2 SWMP consultation completed to date. The overall feedback was positive for programs presented in the draft report and further revisions are not warranted.

Discussion ensued on the potential for development of a Material Recovery Facility. The report had previously been revised to reflect that such a facility is envisioned through private sector investment. A public sector facility would only be considered after fully implementing source reduction efforts and if a private sector facility does not materialize.

Solid Waste Management Plan Dispute Resolution.

L. Gardner presented on SWMP Dispute Resolution. The Ministry of Environment recommends every regional district should establish and consult on a dispute resolution procedure for dealing with disputes arising during implementation of a plan. Examples of disputes include administrative decisions related to a license, interpretation of a provision in the Plan and any other matter not related to a proposed change to the actual wording of the plan.

It was moved and seconded that:

SWMP disputes be directed to the Board for decision; and that the Board consider mediation for non-regulatory or legislative decisions.

Opposed (3): S. Young, D. Jones, D. Haarsma

CARRIED

The Committee recommended that once Metro Vancouver has completed their review they would revisit the procedure.

Stage 2 SWMP Financial Projections.

L. Gardner gave a presentation on the Stage 2 SWMP financial projections on the SWMP preferred options.

It was moved and seconded to include a line item in the SWMP for subsidizing social enterprise.

It was moved and seconded that the recommendation be referred back to staff for inclusion in next agenda of this body.

Opposed (1): J. McTaggart-Cowan.
